- We have enjoyed sending our child to Lothersdale School and it has given him a fantastic start in life. Fantastic school with fantastic staff and of course a fantastic Headteacher. Thank you for everything.

- My child didn't start from the beginning at Lothersdale but she frequently says she wishes she did as it's such an amazing school. I have been asked so many times why I travel to Lothersdale when there are schools much closer and I always tell people that I couldn't imagine any other school being better than Lothersdale. Lothersdale is very special, the children are not only looked after but are loved and encouraged to work to the best of their abilities. Thank you so much for making primary school the best it could be for my daughter and the rest of the family.
- My child joined Lothersdale in Year 4. Choosing Lothersdale is without doubt one of the best decisions I have ever made. My daughter has been so happy at Lothersdale. The warm, supportive and stimulating environment has without doubt contributed hugely to moulding her into the lovely, confident and mature young person that she has become. I cannot thank Mrs Robinson and her staff enough.
- Our daughter has loved her 7 years at LPS. We are delighted with the education and guidance she has received and hope she is as happy at secondary school. We will miss LPS but both our daughter and us will have precious memories of her primary years. Thanks for everything!
- Our daughter has loved her time at LPS. Year 6 has been especially rewarding for her under the guidance of Mrs Fawcett. Mrs Robinson and her team have been so supportive of our daughter and we are very grateful for that.
- We don't think our child could have had any better in her development; she has loved her time at Lothersdale, and will take away very fond memories. Thank you to all who have taught her and guided her along the way. We will miss the school very much x
- My child has had a really positive time at school. He has been able to grow in confidence and thrived. Knowing he is in a safe and secure learning environment has been reassuring. Thank you for all your hard work.
