2 Did you find us kind and helpful?

4 Did we support each other?

5 Did we listen well and follow instructions?

6 Did you enjoy working with us?

7. Were we polite and well-mannered?

Any further comments:

We have had a fantastic day with Class 3 today. They were so well behaved and polite and fantastic participants in the workshops. They have shown that they have great knowledge about railways and the history of transport through the ages.

We have received comments from staff and visitors today stating that they had never met such well behaved children on a school trip before. This is also the first school trip where we haven't had to clean the lunch carriages after lunch. There wasn't a crumb to be seen!

All the staff at the museums, on the railway and in the learning team have had such a

wonderful time working with everyone today and Class 3 have shown themselves to be fantastic ambassadors for their school.

We hope very much that we will be able to welcome them to the railway again soon.
