

# LOTHERSDALE FRIDAY NEWS

ISSUE 8

7th November 2025

## Welcome Back

We hope that all of our students and families had a lovely half term.

We have now completed our first week back, and it has been a delight to see the children come back ready to learn.

We hope that you now have a better understanding of our Lothersdale Learning for Life curriculum. We would encourage parents to submit any questions, thoughts or comments regarding our Lothersdale Learning for Life using this Microsoft Form. We shall then endeavour to answer these and provide more targeted information in future newsletters. Many thanks for your continued support and interest.

## Arbor – Parent App

This week we have successfully migrated to our new Management Information System (MIS), Arbor. Thank you for your patience and understanding while we have made this substantial change to our administrative systems.

As part of the next stage in this process, we are now ready to introduce you to the **Arbor App**.

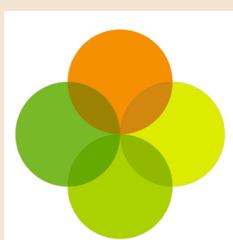

This app will provide parents with a convenient way to stay informed and engaged with school life. While not all features will be activated immediately, we plan to work closely with parents and gradually introduce the functions that will most benefit our school community.

To get started, all parents should have now received a welcome email which includes your login details email to help you get set up. If you have not received this, please email the school office. We will reissue any missing accounts on Monday 10<sup>th</sup> November.

Once everyone is connected, we will use the app to manage bookings for the forthcoming **Parent Consultations on 18th and 20th November**, allowing you to book and receive immediate confirmation of your appointment slot.

If you have any questions about the app or need support setting up your account, please don't hesitate to contact the school office, who will be happy to help.

Once the majority of parents are set up, we will open the Parent Consultation bookings on the app. Thank you once again for your patience and cooperation as we move forward with this exciting development.

# Rice Fundraiser – We Still Need Your Support!

We currently have 130 bags of True Origin Rice remaining to sell, and we kindly ask for your support in helping us reach our target.

Bags can be purchased via School Gateway, and families are encouraged to buy more than one bag if they wish.

Every purchase contributes directly to supporting farmers in Malawi, making a meaningful difference to their livelihoods and communities.

Thank you in advance for your continued support and generosity.  
Recipe of the week!

## Creamy Chicken & Vegetable Rice Serves 2-3

### Ingredients

- 300g cooked rice
- 150g cooked chicken (diced)
- 100g frozen peas & sweetcorn
- 100ml chicken stock or 100ml cream/milk
- 40g grated cheese

### **Method**

Cook the rice in a pan on medium heat.  
Cook the chicken until golden brown and fully cooked and then add the frozen veg.

Pour in stock or cream and stir until heated through and creamy.

Sprinkle cheese and heat until melted.
