

LOTHERSDALE FRIDAY NEWS

ISSUE 10

21st November 2025

Lothersdale Learning For Life

We would like to extend a thank you to everyone who took part in this weeks parent consultations. It was a pleasure for us to speak with parents about how well the children have settled into the new academic year. The children have made such a positive start, and we are incredibly proud of them.

Looking ahead, we are excited for the coming weeks and the wonderful festive activities planned; please read the next few pages to see how you can be involved. We hope families will be able to join in and share these special moments with our school community.

Nature Club

For all those who have booked on to this terms Nature Club. Our apologies that the first session, which should have taken place on Wednesday 5th November was cancelled; we are glad to say that it has now been rescheduled to **Monday 15th December.**

Children In Need

On Friday 14th November, we raised money for Children in Need, by having a non-uniform day in school. Throughout the day, pupils took part in Children in Need activities and learnt about the important work that the Children in Need charity do every year, to support young people. We would like to thank you for your kind donations, we have raised over £100 and we hope the children had a fun filled day!
