ISSUE 13

Lights, Camel, Action!

A huge thank you to everyone who attended the 2025 Christmas Performance of Lights, Camel, Action! We hope you thoroughly enjoyed the show. We are sure you will agree that the children were absolutely fantastic—their hard work, enthusiasm, and dedication to creating a performance they could be proud of truly shone through!

Special thanks go to all the staff for their efforts in ensuring the performance was such a success. In particular, thank you to Mrs Allen for designing and producing all of the children's wonderful costumes, and to Mr Craven for directing this year's show with such care and creativity. We would also like to express our gratitude to Skipton Town Hall for their support and for facilitating our visit.

A further thank you goes to Mrs Phipps, who did a superb job co-ordinating tickets, special requests, and administration for the event—an impressive achievement during her first Christmas here at Lothersdale!

As we head into our final week of term, we look forward to providing a festive, fun, yet structured week where the children can continue with their learning while enjoying some Christmas games and seasonal activities. Please visit the Lothersdale Lowdown page for all the information you'll need for next week.

Thank you once again for your continued support.
