Additional comments:

- Our daughter has loved Year 1! Thank you to all her teachers and support staff across the school for creating such a supportive and loving environment - we are very grateful.
- Lothersdale School has exceeded my expectations continuously throughout the year. The passion from the teaching staff is in turn is enthused by the children. My child has come on such a long way in a year at school, the confidence, can do attitude and eagerness to learn from him stems from every individual who believes in him at

Lothersdale school. I can't wait to see what next year brings, and to watch him continue to grow and understand his own ability and passions.

- Lothersdale School is a fantastic school and we feel privileged that our son is part of it. Thanks to Mrs Robinson and her fantastic team our expectations have been exceeded and our son is reading and writing and learning new things every day and for us, more importantly, he is happy and seems to like going to school. This speaks volumes to us as parents that the school is doing a fantastic job.
- Very lucky to be here! My daughter has come on leaps and bounds - her confidence has grown loads! Had a few dinner queries, sorted as soon as, with a really good outcome!
- Another fantastic year, thank you to all the staff.
- We couldn't ask for anything more from Lothersdale School. We are privileged to have the opportunity to send both our children to such an outstanding school. In particular we would highly recommend: the size of classes, the friendly, safe and positive learning environment, the extended schools activities available, the teachers relationships with the children and the opportunities to go on school trips.
- My son enjoys school. He loves the sporting events he has been part of and these have really increased his confidence. He has thoroughly enjoyed the history and science topics - especially learning about WW2. He knows what his targets are and that he has to try his best. Thank you for all you do for him.
- Thank you - my daughter is every happy at school and is really interests in all the topics she learns. She talks about schools staff and her friends with real affection.
- Thank you to all involved in my daughter's learning in reception. I am extremely happy with her schooling and she loves being at school! (Love the yoga classes!)
- We are so pleased with Lothersdale School. We feel everything is done professionally and with great thoughts. Our daughter is very happy to go to school daily and we can see her growing and gaining independence and confidence. We couldn't wish for a better place for our children to grow and blossom; Lothersdale School is a true nurturing environment. Thank you.
- We are extremely happy with all aspects of Lothersdale School and couldn't wish for a better place to educate our daughter. Our daughter loves going to school, is immensely happy and is absolutely thriving and as a parent that is all we could ask for. This is down to the wonderful staff at Lothersdale especially Mrs Bateman and her team. You are all so caring and go above and beyond what is expected and we can't thank you enough.
- An excellent first year. I've never heard a negative from any parent - only praise. All the children are friendly and helpful to each other - a large family. My impressions to date - an excellent start for all the children!
- I have been very impressed with Class 4 this year.

Suggestions:

- The school report is very formal and using national curriculum vocabulary. We would prefer less formal report using lay language which non-teachers can understand.

ANALYSIS OF ANNUAL PARENT QUESTIONNAIRE JULY 2019

- Inconsistency with homework in Class 2- does not get weekly. Also could be more directed to the individual child.
- I am not sure my child in year 5 gets sufficient homework.
- I feel the year 5s have lost out to the Year 6s this year.
