

CLASS 2 CURRICULUM PLAN - AUTUMN 2019

Subject	Key Learning
<u>Art</u> Self portrait 	Children will use different media to experiment and practice drawing different features of their own faces. They will practice each different facial feature to develop their techniques before putting it all together in their final piece.
<u>Science</u> Humans - How do our bodies work? 	The children will learn the names of different parts of their bodies and what their jobs are. They will learn what we need to do to keep our bodies healthy and we have an exciting trip to Eureka! Where they will be able to deepen all of their knowledge.
<u>RE</u> Diwali 	Children will learn all about the festival of light and why it is a celebration for so many people.
<u>Topic</u> Famous people- Who was Guy Fawkes? 	Who was Guy Fawkes? Why do we remember him? What was the gunpowder plot? These are all questions your child will find the answers too in our Autumn topic looking into the life and significance of Guy Fawkes.
<u>Computing</u> E-safety Film linked to Guy Fawkes 	The children will learn about how they can stay safe online and what possible dangers may be. They will use the iPad to make simple videos sharing the story of Guy Fawkes.
<u>Design & Technology</u> Textiles Where does our food come from? 	The children will look into where the food we eat every day comes from. We will investigate food miles, fair trade and why it's important to eat food sourced locally. This topic will have strong links to our environment and climate change.
