

CLASS 3 CURRICULUM PLAN - AUTUMN 2019

Subject	Key learning
<p data-bbox="96 260 387 300"><u>History/Geography</u></p> <p data-bbox="96 308 309 347">Ancient Egypt</p> 	<p data-bbox="562 260 2063 387">We will delve into the history of ancient civilisations by studying the Ancient Egypt. This history topic will allow the children to investigate the lives of the Ancient Egyptians and why they are so significant today.</p> <p data-bbox="562 395 680 427">We will:</p> <ul data-bbox="611 435 2063 707" style="list-style-type: none"><li data-bbox="611 435 2063 523">• Place Ancient Egypt on a time line and understand what was happening around the world at the same time<li data-bbox="611 531 2063 571">• Understand the significance the Ancient Egyptians have on our lives today<li data-bbox="611 579 2063 619">• Focus on the importance of the pyramids<li data-bbox="611 627 2063 667">• Learn how the Ancient Egyptians lived<li data-bbox="611 675 2063 707">• Understand the importance of the Egyptian gods
<p data-bbox="96 754 152 794"><u>Art</u></p> <p data-bbox="96 802 488 882">Multi-media artwork using photographs and pastels</p> 	<p data-bbox="562 802 2063 970">Children will learn to use a range of techniques using pastels. We will investigate geometric shapes that were used within patterns from the Ancient Egyptian era and generate our own designs. We will use multi-media (photographs and pastels) to focus on colour and patterns that are found in textiles to create our own Egyptian headdress.</p>
<p data-bbox="96 1158 215 1198"><u>Science</u></p> <p data-bbox="96 1206 477 1246">Animals, including humans</p> 	<p data-bbox="562 1206 2063 1334">In this topic we will describe the simple functions of the basic parts of the digestive system in humans. Children will identify the different types of teeth humans have and their simple functions. All children will know how to construct and interpret a variety of food chains.</p> <p data-bbox="562 1342 680 1374">We will:</p> <ul data-bbox="611 1382 2063 1551" style="list-style-type: none"><li data-bbox="611 1382 2063 1422">• Identify the functions of organs responsible for digestion.<li data-bbox="611 1430 2063 1469">• Explain the roles of the different teeth we have.<li data-bbox="611 1477 2063 1517">• Know and explain why a balanced diet and healthy eating is important.<li data-bbox="611 1525 2063 1551">• Identifying producers, predators and prey within a range of food chains.

CLASS 3 CURRICULUM PLAN - AUTUMN 2019

Religious Education

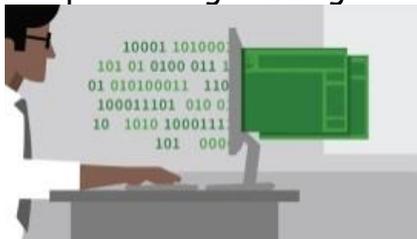

What matters most?

Children will consider the values that they live their lives by and know how these may differ from the values of others. They will investigate different situations and be able to share their viewpoints on what matters most to them as well as other religions.

Computing

Computer Programming

Firstly, we will be continuing to build on our knowledge of E-Safety and how to be safe online. In computer programming we will know how to use a coding programme (Scratch) to create a game to help them learn their times tables.

We will:

- Know how to make an object move.
- Know how to include a time limit
- Know how to include a scoring system
