

Class 2 timetable: Week 10 (15.6.20)

MONDAY	<p>Maths</p> <p>Arithmetic recap worksheet - addition, subtraction, multiplication and division.</p> <p>Please feel free to extend this activity with more of your own.</p>	<p>Writing</p> <p>Read up to the picture shown on the worksheet. Read and answer the questions using the story to help you.</p>	<p>Phonics</p> <p>Year 1 - ur, ir and er worksheet.</p> <p>Year 2 - Introduce and teach sections from the phonics plan - The Swallow, the Swan and the Wasp.</p>	<p>Topic</p> <p>This week's topic work is all set on Purple Mash. If I have done it correctly, activities for the week should be found in your 2do's.</p>
TUESDAY	<p>Maths</p> <p>Year 1 - Addition problems worksheet. Use objects to help solve the additions as well as the number square if needed.</p> <p>Year 2 - Addition and subtraction problems - please write the sum out and use the column method where needed.</p>	<p>Writing</p> <p>Character description activity.</p> <p>Remember to describe the characters personality as well as their appearance.</p>	<p>Phonics</p> <p>Year 1 - Roll and read activity sheet.</p> <p>Year 2 - Please see practise section on the phnics plan.</p>	<p>Reading</p> <p>Year 1 - The Farm Trip reading activity. Like with last week, you will need to support your child with the reading and understanding some of the questions.</p> <p>Year 2 - A Brand New Baby - this quite long so if a break is needed that is fine.</p>
WEDNESDAY	<p>Maths</p> <p>Year 1 - Subtraction word problems.</p> <p>Mental arithmetic test 5.</p> <p>Year 2 - Multiplication word problems. It can help to draw the problems to understand the multiplication needed.</p>	<p>Writing</p> <p>Year 1 - Teeth for Tex Rex reading activity.</p> <p>Year 2 - Traditions from Africa. This is an advanced text so if your child needs support with some words that is fine. It is also perfectly acceptable to have breaks and split this activity into smaller chunks.</p>	<p>Phonics</p> <p>Year 1 - Colour the sound activity sheet.</p> <p>Year 2 - Path through the swamp activity.</p>	<p>Topic</p> <p>Access purple mash.</p>

THURSDAY	<p>Maths</p> <p>Year 1 - Multiplication word problems.</p> <p>Year 2 - More 5 minute intervals with a passage of time.</p>	<p>Writing</p> <p>Please complete the book review.</p>	<p>Phonics</p> <p>Year 1 - Sorting the words activity sheet.</p> <p>Year 2 - Quick Write activity on phonics plan.</p>	<p>Arithmetic</p> <p>Year 2 - Complete the multiplying by 2, 5 and 10 worksheets. Could you do some of your own for the 3 and 4 times table?</p>
FRIDAY	<p>Maths</p> <p>Year 1 - Division word problems worksheet.</p> <p>Year 2 - Reasoning paper 1 test 1. Be careful and try to make no little mistakes.</p>	<p>Writing</p> <p>Improve my sentences worksheet.</p>	<p>Phonics</p> <p>Year 1 - Read the sentence and highlight the words.</p> <p>Year 2 - Spellings</p>	<p>Topic</p> <p>See purple mash.</p>

Daily activities:

- Weekly spellings - test whenever you think is the right time.
- Times table practice.

Thank you.

Mr Craven
