

Class 2 timetable: Week 13 (6.7.20)

| | Maths | Writing | Phonics | Topic |
|-----------|--|--|---|--|
| MONDAY | <p>Year 1 - Greater and less than activity sheet. Discuss greater than and less than signs as a crocodile's mouth. The crocodile always wants to eat the biggest amount. Complete the activity sheets.</p> <p>Year 2 - Greater than and less than activity sheets. You have done this before with tens numbers. You can now do it with hundreds but remember to look at the hundreds first as they have the biggest value.</p> | <p>The Icy Plunge. Read the short extract and answer the questions. You may need to support the reading and discuss different vocabulary and its meaning.</p> | <p>Year 1 - 'nk' activity sheet.</p> <p>Year 2 - See included phonics plan. Introduce the 'shur' sound and read all of the words on the word cards.</p> | <p>What is the role of a monarch? Look at the presentation online and complete the activities.</p> |
| TUESDAY | <p>Year 1 - Greater and Less than of 2 digit numbers. Discuss looking at the tens number first as it has a bigger value than the ones.</p> <p>Year 2 - Greater than and less than worksheet. Join the hundreds with their tens and ones.</p> | <p>Discuss verbs as doing words and the meaning of past and present tense. Complete the activity sheet to change the tricky verbs into different tenses before completing the sentence activity.</p> | <p>Year 1 - 'nk' word card activity.</p> <p>Year 2 - 'si' and 'su' worksheet.</p> | <p>Reading</p> <p>Red Squirrels reading activity.</p> |
| WEDNESDAY | <p>Year 1 - Ordering 2-digit numbers. Look at the tens number first and then the ones to put the numbers in order from smallest to largest.</p> | <p>Improve my sentences activity sheet. Use everything you have learnt this year to make the sentences more exciting and interesting to read.</p> | <p>Year 1 - 'nk' roll and read activity.</p> <p>Year 2 - Find the word activity.</p> | <p>Topic</p> <p>Presentation online. Look at and discuss some of the significant Monarchs of this country and complete the</p> |

| | | | | |
|----------|--|--|--|--|
| | Year 2 - Ordering 3-digit numbers. Remember that the hundreds have the highest value so look at those first. If they are the same look at the tens and finally the ones to put them in order. | | | timeline and fact file activities. |
| THURSDAY | <p style="text-align: center;">Maths</p> Year 1 - Ordering numbers activity. Year 2 - Order the different amounts. Follow the instructions on the activity sheets. | <p style="text-align: center;">Writing</p> Discuss what you know about the sea and the picture of The Icy Plunge. Complete your own picture with labels and a short description. | <p style="text-align: center;">Phonics</p> Year 1 - 'nk' and 'ng' sorting activity sheets. Year 2 - Compose me a sentence activity. | <p style="text-align: center;">Reading</p> Garden Snails reading activity sheets. |
| FRIDAY | <p style="text-align: center;">Maths</p> Year 1 - Comparing numbers and amounts challenge worksheet. Year 2 - Ordering 3-digit numbers challenge sheet.
