Dear Parents / Carers

It was lovely to see so many of you in school this week for the parent consultations, and it was especially nice to hear the positive feedback that we received from so many of you. The overwhelming message I heard when speaking to parents and carers was of how much your children love coming to our school, and we really couldn't ask for any more than that. Please remember, our doors are always open to parents – not just at parent consultations - and we welcome open communication, so if there is ever anything you wish to talk to us about, please do not hesitate to be in touch.

I look forward to seeing many of you at the Christmas Fair tomorrow, and I have to say it looks like being a spectacular event with a bumper crowd. Huge thanks again to the LSA volunteers who have given so much time to this event and to all of you who have donated raffle prizes or baked cakes and buns.

Colum Grogan

**Reminder: school starts at 8.45am**

We would like to reiterate to all parents/carers that our school day begins at 8.45am, when children should be in school ready for registration. We regularly have a number of children who are arriving late and are registered accordingly. Our lessons are planned to a strict timetable and it is disruptive to the class if children are still arriving 10 minutes after lessons have started. We would be grateful if you could help us by ensuring your child is lined up on the playground by 8.40am ready to come into school.

**HEALTH & SAFETY  
UPDATES**

*Please find detailed below general updates for your information. If you have any queries regarding any of the content below, please contact the school office.*

A letter was emailed to all parents/carers on Wednesday 30 November 2022 following complaints from local residents about parking during school drop off and pick up.

As mentioned in our letter, we regularly post parking updates in our newsletter politely reminding parents/carers of the need to park responsibly and it is upsetting for the school to receive these complaints.

Please be aware that, due to the nature of the complaints, the local police will be carrying out 'spot checks' at school drop off and pick up times and we hope that parents/carers will help us with this issue.

**CHRISTMAS CONCERT**  
**Skipton Town Hall**  
**Wednesday 7 December 2022**

Our Christmas Concert will take place at Skipton Town Hall next Wednesday, 7 December 2022 at 6.15pm. The children have all worked hard in rehearsals this week and are really looking forward to performing their class and whole school songs for you.

Please remember that all children will need to bring in a packed tea on Wednesday morning to eat at Skipton Town Hall prior to the performance.

Up to two tickets have been allocated to each family for both parents/carers to attend. At the time of writing, extra tickets have been offered to parents/carers of Year 6 pupils. Remaining year groups will be offered tickets on a first come first serve basis via your ParentPay account on Monday from 5pm. Tickets will be sent out via bookbags on Tuesday 6 December 2022 ~ remember to bring your entry ticket with you.

Concert costumes: please note that children will go home after the concert in their costumes (where applicable). We would be grateful if you could ensure that all school costumes are returned to school on Thursday 8 December 2022.

**PHOTOGRAPHY/VIDEO RECORDING – INTERNET & SOCIAL MEDIA**

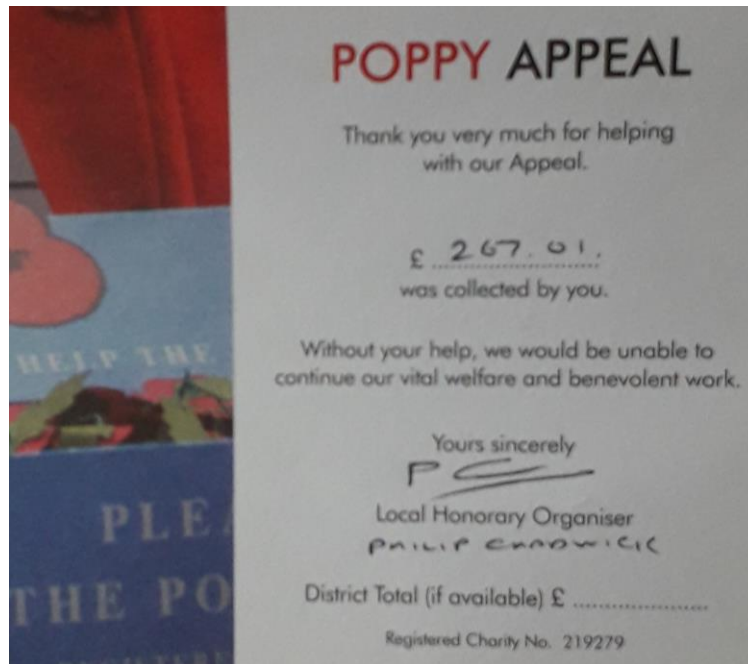

Please remember that we have a number of children in school who, for security reasons, cannot appear on social media.

Whilst we want to allow you to record special moments in your children's lives, we must insist that any digital images or recordings posted on to the internet, or other social media sites, from cameras and mobile phones do not include pictures of any children other than your own, unless you have asked permission from the parents/carers of the children involved.

## Remembrance Day Poppy Appeal

Thank you to all our parents/carers who supported this year's Poppy Appeal, which raised an amazing **£267.01**.

## Robert Windle Trust Assembly ~ Monday 28 November 2022

Thank you to Margaret and Jane from The Robert Windle Trust who came into school on Monday morning to talk to the children in their assembly about the work of the Trust. Over the last two years, they have donated money to the school and this year have awarded a grant to the LSA to provide books for the school library. Margaret and Jane were able to visit the library to see how the money had been spent.

## National Child Measurement Programme ~ Reception & Year 6

A letter was emailed on Tuesday 29 November to parents/carers of children in Reception and Year 6 from the Harrogate & District NHS Foundation Trust, regarding this year's National Child Measurement Programme. You do not need to do anything unless you wish to OPT OUT of this programme. Please follow the instructions in the letter if this is the case.

## Tuesday 29 November and Wednesday 30 November 2022

Thank you to all our parents/carers for attending this term's Parent Consultation evenings this week. Please ensure you sign and return the Pupil Data Information Sheet (handed to you at the consultation) by Monday 5 December 2022 for our records.

## Class 3 ~ Rescheduled Appointment ~ Tuesday 6 December 2022

Unfortunately, due to staff illness, the Class 3 consultation on Wednesday was unable to take place. Mrs Aldren is available to see those parents/carers, whose appointments were cancelled, on Tuesday 6 December ~ the same timings will apply. If you have not yet confirmed that you are able to attend the new date (*a text was sent out on Wednesday 30 November*), please email the school office by Monday 5 December 2022.

Pupil Data Information Sheet: please note that it is essential that the school has up-to-date contact and medical information on file regarding your child. You will be given a copy of your child's data sheet if you are able to attend next week's Parent Consultation and we would be grateful if you could check, amend where necessary, sign and return to the school office by Monday 12 December 2022. [If you are unable to make next week's Parent Consultation, please call into the school office so that we can hand you your information sheet. Many thanks.](#)

## Keighley Women's Refuge (Staying Put) ~ PYJAMA DAY ~ Friday 2 December 2022

WOW! You all looked amazing in your pyjamas today and we would like to thank all those parents/carers who were able to contribute towards the cost of purchasing pyjamas for children living at the Refuge this Christmas. Thank you also to Charlotte in Year 4, who kindly coloured in the label for our Pyjama Collecting Box!

## School Water Bottles

We have a lot of school water bottles in classrooms with no names. Please ensure your child's water bottle is clearly named so that it is not used by another child. Many thanks.

## National Online Safety ~ Social Media

You know about social media influencers, but do you know what influence intensive social media use can have on our mental health? The National Online Safety guide has tips for protecting young people from this ever-present online safety risk, which is attached to this newsletter for your information.

## Lothersdale School Christmas Postbox

The Lothersdale School Christmas Postbox is now in the main entrance hall for children to post their Christmas cards to their friends at school. Children in Class 4 will be in charge of delivering the cards to classrooms once a day.

## Save the Children ~ Christmas Jumper Day

Friday 9 December 2022 & Friday 16 December 2022

No school sweatshirts on both these Friday dates ~ wear a Christmas or woolly jumper to school to save children's lives. The payment is now set up on ParentPay ~ please donate £1.00 per child on either Friday 9 December or Friday 16 December 2022 towards the Save the Children charity.

## Extended Schools' Activities ~ Autumn Term

This term's extended schools' activities will finish next Friday, 9 December 2022, and all children should be collected promptly from school at 3.15pm during the last week of term, unless they are booked into Lothersdale Out of School Club.

**REMEMBER TO KEEP PUPIL CONTACT AND MEDICAL INFORMATION UP TO DATE!**

### SchoolGrid Bookings

If your child has school lunches, please remember to check your child's SchoolGrid account to ensure they are booked for school lunches every day. Please also remember to cancel a school lunch if your child is ill to avoid a charge. This term is an extremely busy one for the school office, and Mrs Ellison is currently spending significant time chasing parents/carers so that children receive a school meal.

Please note that we are looking at changing part of the school meal system as per our previous correspondence, but the onus will still be on parents/carers booking meals and not the school. Many thanks for your support.

### SchoolGrid Payments

Please be aware that SchoolGrid will send out reminders to parents/carers whose meal accounts are in arrears and payment should be made in line with their deadlines. If payment is not made by the deadline, then the meal on the cook's list will be flagged up as unauthorised and referred back to the school. The school is then asked to authorise a payment for the school meal. If this issue arises, you will be contacted by Mrs Ellison asking you to make the payment. Unfortunately, the school has no budget for non-payment of school meals and we would therefore be grateful if you could ensure you do not exceed any payment deadlines to avoid this situation.

### Primary School Admissions ~ September 2023

Online applications can now be made via the Local Authority for reception places at Lothersdale Primary School for September 2023. The application must be submitted by no later than Sunday 15 January 2023.

# What Parents & Carers Need to Know about SOCIAL MEDIA & MENTAL HEALTH

An estimated one-third of children have a social media account, so it's important that trusted adults know what content young people are consuming, what they're posting and the interactions they're having. On social media, it can be easy to go down 'rabbit holes' that aren't beneficial to our wellbeing. As platforms grapple with managing such 'legal but harmful' content, lives are being impacted – sometimes to tragic effect. We might be daunted by the scale of the tech giants and their content which so enthral young people, but we can still help children to be aware of their mental wellness: recognising when something isn't OK ... and knowing what to do about content that upsets them.

## 1. UNDERSTAND THE ALGORITHM

Algorithms rank content by user interest: someone who regularly interacts with sports news, say, will see the latest results at the top of their feed. Likewise, if a user browses content that can cause harm, that's what will be recommended to them in future. Someone who's had a bad day and looks for posts which reflect their mood will find similar content being suggested to them more and more.

## 2. AVOID THE MAIN FEEDS

Avoiding the default feeds on social media platforms limits the amount of recommended content that's shown. Users can opt to only scroll through the accounts they follow, use restricted modes, or highlight posts that they don't want to see more of. Explore the platform safety settings to see how you can take control of what your child's phone shows them when they open the app.

## 3. DISCUSS WHAT THEY'VE SEEN

Chatting about what your child's seen online keeps you aware of the content they're interacting with. Don't assume that platforms are screening out inappropriate material, or even that your child would recognise content as being harmful. Discuss who they follow, what posts they like and what comes up in their feeds: if alarm bells ring, it could be time for a more in-depth talk or to seek support.

## 4. LEARN HOW TO HIDE CONTENT

If your child stumbles across unsuitable content on social media, there's the option to hide that post as well as indicating you'd prefer any similar material not to be suggested in future. On some platforms, you might also be able to block posts that contain specific words, which is an excellent way to start taking control of what your child sees online.

## 5. SET DAILY LIMITS

Phones and most apps can tell you how much they're being used. Spending too long online can mean a child misses out on other activities that are important to all-round wellbeing. You could set some family rules – for everyone to follow – around device use, such as screen time limits and tech-free spaces: involving your child in creating this agreement makes them more likely to stick to it.

## 6. MONITOR THEIR ACTIVITY

Keeping a discreet eye on how your child is using social media can help ensure they're not entering potentially dangerous situations. As they grow up, of course, children need space to exercise their independence – but you can still occasionally ask to see what they're looking at. Be transparent about your own social media use and try not to sound judgemental about your child's.

## 7. TURN OFF PUSH NOTIFICATIONS

Even for adults, it's tempting to check an email or message as soon as the alert sound pings. Push notifications encourage people to open their apps and spend time on their device, so turning them off will help your child to practise mindful use of tech. Most of us have other things that we need to focus on as a priority – and those notifications will still be there later, when we have more time.

## 8. USE DEVICES TOGETHER

Giving children internet-enabled devices and complete freedom to explore platforms on their own can result in exposure to hugely damaging content. You could consider making a particular area at home a designated space to use phones, tablets and so on – making it much easier to monitor what content your child is viewing and (if necessary) steer them away from any potentially harmful paths.

## 9. ENCOURAGE OTHER ACTIVITIES

Mental health professionals often highlight the importance of exercise, quality time with loved ones, a balanced diet and restful sleep for our mental wellbeing. Spending hours on social media can cause us to sacrifice other activities that our brains need to feel well – so encouraging your child to put down their phone and enjoy something that doesn't involve a screen can be immensely beneficial.

## 10. TALK ABOUT PEER PRESSURE

Most platforms default children's accounts to private, so only people they've accepted as friends can see their posts. This reduces the risk of bullying or unkind comments, but – just like offline life – the digital world can still make children feel as if they need to act or look a certain way to fit in. Talk to your child about peer pressure, and listen to any concerns so you can provide the support they need.
