Happy Birthday!

This week we had three boys - Jack, Reece and George - who had their birthdays on the same day on Tuesday 5th February. We realised this unusual occurrence in our singing assembly with Mrs Turvey, so we sang happy birthday to them all and worked out the total of their birthdays - 22 (which was good maths for Class2!).

Safer Internet Day ~ Wednesday 6 February 2019

On Wednesday, the whole school celebrated Safer Internet Day 2019 by using resources from the safer internet website in separate KS1 and KS2 assemblies and lessons. Mrs Bateman led all the sessions during Safer Internet Day and discussed how children can keep themselves safe online. The sessions generated lots of discussion especially about asking permission from adults to go online. Parents/carers can also access the clips and materials used in school via the Safer Internet Day website: www.saferinternetday.org.

NSPCC 'Speak Out. Stay Safe.' Assemblies ~ Thursday 7 February 2019

On Thursday 7 February, the NSPCC came into school to deliver their 'Speak Out. Stay Safe.' programme to all the children. The NSPCC visitors were very impressed by all the children and especially that they had remembered a lot of information for their previous visits to school.

Mrs Bateman

We all had a wonderful time on Monday learning about Chinese New Year and the Year of the Pig. We really enjoyed the Chinese Dragon dancing and everyone was very impressed with the special peacock dance we learnt with Chinese fans. Back in the classroom, we used chop sticks to pick up noodles and made Chinese lanterns. We had lots of fun!

Class 2 Updates

Mr Craven

Please find detailed below Class 2 updates from Mr Craven. If you have any queries, please contact the school office in the first instance.

Class 2 have had a fantastic week celebrating Chinese New Year and Safer Internet Day. On Monday we celebrated Chinese New Year. All the children took part in a Chinese dance session. They learnt how to dance like a peacock to some Chinese music. Later in the afternoon, we performed our dance to the rest of the school. It was great to see the children showing off their hard work. On Tuesday, we celebrated Safer Internet Day. We discussed why it is so important to stay safe online and what the potential dangers could be. The year 2s then wanted to come up with a short song to remember what they had learnt and help to teach other. It can now be found on our Class 2 page.

Chinese New Year

We had a wonderful day learning about Chinese New Year on Monday. Amber's mum came into talk to us about Chinese traditions and we made some lovely paper plate fans. The children enjoyed the Chinese dance workshop and have been writing about all of the things that they have learned about Chinese New Year.

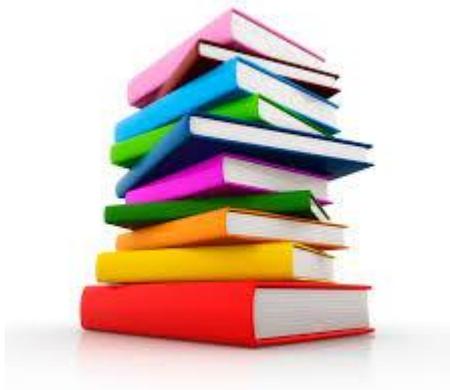

Tag Rugby

Despite the rather soggy weather on Tuesday afternoon, Class 3 enjoyed improving their tag rugby skills with Hedley. Everyone is growing in confidence when throwing and catching the rugby balls and have been applying their developing skills in small team games. Children will be bringing dirty kit home after some sessions as it has been very muddy in the park. Thank you to all for organising the extra layers so that the children stay nice and warm during the sessions.

E-Safety

We have been learning about using the internet safely this week with a focus on "asking and giving permission" online. A big focus is asking an adult to help you make the safe and right choice online. It would be good if children could start a conversation at home to show how they use the internet and to discuss what they know about staying safe.

Isaac and Mrs Kingham's Reading Challenge

Isaac, in Class 3, has been following a personal reading challenge to motivate him to read more! When he's read 4/5 pages with mum at home he earns a team point. It's really helped him to want to read more and therefore Mrs Kingham and Isaac would like to roll out the challenge to the whole of class 3. Children need to read 4 or more pages with someone at home, get them to sign their reading record and then they will get a team point. If children read independently, a parent could ask a question to check what they've read and then sign off in their reading record. Why not have a go and earn team point!

Chinese New Year and Internet Safety Day

We participated in a fun and informative Chinese New Year dance workshop on Monday afternoon, learning that dragons, which are legendary animals, are important to Chinese people who view them as helpful, friendly creatures. They are linked to good luck, long life and wisdom and are nothing like the fierce, fire-breathing Western dragons that we are familiar with! Chinese Dragons are associated with storm clouds and life-giving rain, having special powers enabling them to fly in the air, swim in the sea and walk on land. With this in mind, we used a dragon puppet in our Chinese New Year dance to scare away any evil spirits and bring us good luck for the year.

In addition to this, we have taken part in 'Safer Internet Day' workshops, in which we have been learning about using technology responsibly, respectfully, critically and creatively. Particular focus has been given to how consent works in an online context, asking the children to consider how they ask, give, and receive consent online. We have studied how the internet works, who owns the information that is shared on it, and how children can actively take ownership of digital spaces.
