

SPRING TERM • ISSUE 23 • FRIDAY 10 MARCH 2023

## LSA Gardening Day!

A big thank you to the families who came to school on Sunday morning to help spruce up the woodland and garden.

We raked leaves, laid new woodchip in the woodland area, repurposed a sandpit into beds for the reception class, and added fresh soil to the beds in the garden.

If you'd like to help at our next gardening session please let one of the LSA members know and we will keep you informed of the next date!

### LSA Garden Tidy Up

All the staff and governors would like to say a big 'thank you' to those parents/carers/children who were able to come along on Sunday morning to help tidy up the school garden, woodland and playground areas.

We would also like to thank local businesses/individuals who have kindly donated towards this project.

You have all done an amazing job and we are looking forward to using these areas more now that the days are getting longer and when the weather improves.

We are hoping to introduce more interactive signage around the playground and update the parent noticeboards.

The Governing Body will be reviewing the LSA proposal for the new playground markings next week and it is hoped this work will be carried out over the school holidays at the end of May. Watch this space!

*Well done to this week's*

### SCHOOL PICK UP ARRANGEMENTS

Please remember to let the school office know if a different family member or friend will be collecting your child from school. School staff can only let children go with a nominated adult if parents/carers cannot pick up for any reason.

**NO DOGS ALLOWED**

### No Dogs on School Premises

Please remember that dogs are not allowed on the school premises and we would be grateful if parents/carers could ensure dogs are not brought onto the school playground in line with the school's health and safety policy.

If your child is being collected by another family member or friend, please ensure they are also made aware. Thank you for your support.

## Message from Mrs Walker

Executive Headteacher

Hello everyone!

I enjoyed getting to speak to a few more of you at our Parents' Forum last week; it was a good opportunity to answer any questions you had about our work in school and share some of our plans for the future. We plan to hold another of these events next term, this time with Mr Craven joining me in his Head of School role, so please do come along to meet us.

Further to one of the aspects we discussed at the Forum, I am excited to be able to now share with you all that we recently held interviews for the posts at our new 'Legends' Before and After School Club and successfully appointed the staff we require to launch the club at the start of next term. The club will be run from school, making good use of our building and grounds, as well as the local park. There will be sessions offered daily across the week during term-time. These are to be led by an experienced supervisor, supported by 1 assistant every morning at the before school session and 2 assistants for the after school sessions; the whole team will be overseen by our own school leadership team and sessions booked via a system managed by the school office.

We are holding a planning meeting with the new team soon and following this, we will share more details via Friday News, including everything you need to know to start booking your places for the Summer Term – watch this space!

I hope you all enjoy and stay safe in the snowy weekend ahead!

## Lothersdale Staffing update

### Mrs Grossschmidt

We have said 'goodbye' to our cook, Mrs Grossschmidt, who sadly hung up her apron last Friday to move on to pastures new.

Although Mrs Grossschmidt was employed directly by Dolce, our catering company, she was a valued member of our team and an excellent cook, and we are very sorry to see her go. Mrs G has decided to move away from catering, and we wish her all the best in her new ventures.

### Mrs Guy

This week we welcomed Mrs Jenny Guy to the staff team. Mrs Guy has been employed by Dolce to take over from Mrs Grossschmidt as our school cook. Mrs Guy has previously worked for Dolce and has been busy getting used to our school routines this week. We wish her all the best in her new role at Lothersdale Primary School.

### Mrs Leanne Neil

This week we also welcomed Mrs Leanne Neil, who is working as a temporary teaching assistant in Class 3. Mrs Neil will be supporting Mrs Knight and Mrs Aldren during Miss Laycock's absence. We wish Donna a very speedy recovery, but are happy in the meantime to have Leanne join us as an excellent additional support.

### Mrs Ellison

Please note that Mrs Ellison is heavily involved in the set up of the **Legends** Before and After School Club. We would therefore be grateful if parents/carers could support any deadlines to enable us to maintain the smooth running of the office at this extremely busy time. Whilst we endeavour to reply to any parental queries as quickly as possible, there may be times when delays are inevitable due to the current workload. Thank you for bearing with us!

## GENERAL SCHOOL UPDATES

*Please find detailed below general updates for your information. If you have any queries regarding any of the content below, please contact the school office.*

### Reading Plus and Times Tables Before School Sessions

Children in Years 4, 5 and 6 can come along to the before school Reading Plus or Times Tables sessions as per the timetable below. Please note that there has been some confusion over the start times of these sessions and a text was sent out to parents/carers this week to confirm all children should be in school **at**

ADDITIONAL LEARNING SESSIONS				
MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
Class 4 READING PLUS 8.25 to 8.45am	Year 4 READING PLUS 8.25 to 8.45am	Class 4 READING PLUS 8.25 to 8.45am	Year 4 READING PLUS 8.25 to 8.45am	Class 4 READING PLUS 8.25 to 8.45am
-	-	Year 4 TIMES TABLES 8.25 to 8.45am	-	-
These clubs are for selected groups or pupils. All pupils attending these clubs must be registered for safeguarding and health & safety reasons. At the end of the afternoon sessions, please wait in the main playground to collect your child as per the normal end of school routine.				

**8.25am** if they wish to attend. Please do not bring children any earlier to enable the teachers to arrive and set up their classrooms.

These sessions are aimed at children who need more encouragement or would like to improve their reading skills and wish to come in

early to complete their Reading Plus texts. We would be grateful if parents/carers could ensure children attending these sessions are in school at 8.25am. Children arriving after this time will be asked to wait in the playground with a parent/carer until the bell goes for the start of the school day. This will help ensure that children already in school and concentrating on their tasks will not be disrupted by late arrivals.

Children who do not finish their reading text by 8.45am will be able to continue through registration.

It's snowing!

On Thursday 9 March, children had a fantastic time playing out in the snow. Mrs Bateman and Mrs Pickard also joined in the fun!

Thankfully the heavy snow forecast for that afternoon did not materialise and the school remained open as normal.

It's a SNOW DAY

## Fairtrade Coffee Morning ~ Tuesday 14 March 2023 ~ Lothersdale Village Hall

14<sup>th</sup> March 2023

10Am - 12 noon

Lothersdale Village Hall

Please help support our group of children from the School Council at the Fairtrade Coffee Morning on Tuesday 14 March 2023 from 10.00am to 12 noon at Lothersdale Village Hall.

We have a wonderful lady joining us selling some Fairtrade products and our children will be serving cake as well as providing information about why Fairtrade is so important.

**We would also welcome donations of Fairtrade baked goods. All we ask is that no nuts are used due to allergies within school. These donations can be dropped off at school on Monday 13 March or the morning of Tuesday 14 March 2023.**

Bake Fairtrade  
cakes or treats  
without **NUTS**

come and enjoy  
a cup of tea or coffee.

Please see the attached Food Hygiene information sheet regarding guidance on providing food at community and charity events, for your information.

We hope to see you there.

## Fairtrade competition with Namaste

Remember that the closing date for entries for the Fairtrade Competition run by Namaste is 17 March 2023. All local schools have been invited to participate. Please see the attached poster for more details.

## British Science Week ~ WOW Science Assembly ~ Tuesday 14 March 2023

British Science Week starts today, 10 March, through to Sunday 19 March 2023 and this year's theme is based around 'Connections'.

On Tuesday 14 March, Mrs Woolley will be coming into school to lead an assembly to promote science in school and we look forward to her visit.

## National Measuring Programme ~ Tuesday 14 March 2023

The School Health team will be in school on Tuesday 14 March 2023 in the afternoon to carry out height and weight measurements on children in Reception and Year 6. This will only be carried out on those children whose parents/carers did not opt out of the programme, following the letter sent out on 29 November 2022.

Please see the flyer attached towards the end of this newsletter to remind you about how the programme works.

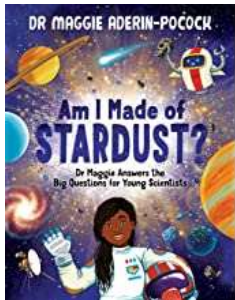

### Year 6 Crucial Crew Visit ~ Wednesday 15 March 2023

This year's Year 6 Crucial Crew visit takes place on Wednesday 15 March 2023 at Eshton Grange. Please ensure children are in full school uniform and bring a packed lunch with them (no glass bottles please). The children will be taking part in outdoor activities so a warm coat will be required.

It has also been requested that children wear training shoes to keep damage to the floor in the sport's hall to a minimum. Please ensure your child arrives at school at 8.30am to enable the minibus to leave at 8.45am.

The deadline for receipt of voluntary contributions towards this visit has now passed and the school has received 83% of contributions towards this trip to date. If you have not yet made a contribution but still wish to do so, please ensure your contribution is made via ParentPay by Monday 13 March 2023.

### Class 4 Virtual Author Session ~ Friday 17 March 2023

We have a brilliant event planned for the end of British Science Week for children in Class 4. As part of The Book Trust's 'Bring an author into your classroom' initiative, Class 4 will be listening to super star space scientist, Dr Maggie Aderin-Pocock, talk about her second book *Am I made of Stardust?*

Dr Maggie Aderin-Pocock (MBE) is an award-winning scientist, BBC broadcaster and author.

This author event is also a wonderful way to finish off the Earth and Space topic that the children have been learning about in class this term.

### Red Nose Day ~ Friday 17 March 2023

Next Friday it's Comic Relief Red Nose Day and we are asking all children:

- to learn a joke for a Joke Contest for Red Nose Day.
- wear sporty clothes to school instead of your school uniform.
- donate £1 (or more!) towards this year's Comic Relief Red Nose Day via the ParentPay link below. Please do not try and donate via your ParentPay account as there is no option to pay this way.

<https://app.parentpay.com/ParentPayShop/Foc/Default.aspx?shopid=10699>

Thank you to those parents/carers who have already contributed to this charity.

### Year 5/6 Tag Rugby Festival at South Craven School ~ Wednesday 23 March 2022

A letter was emailed out on Tuesday to parents/carers of children who have expressed an interest in taking part in this year's Year 5/6 Tag Rugby Festival at South Craven School on Wednesday 23 March 2022 against other local primary schools. Please ensure the online form is completed and submitted by Monday 13 March 2023.

### Class 2 Swimming Lessons ~ Spring Term Second Half

Please note that the deadline for payment of voluntary contributions towards your child's swimming lessons is next week, Monday 13 March 2023. Swimming is an important part of the curriculum but unfortunately the school receives no extra funding for swimming and relies on parental contributions to enable the children to take part in this activity. To date we have received 86% of contributions from parents/carers and are reliant on 100% to help fund the full cost of travel and lessons. If you have not yet made a payment and still wish to do so, please ensure payment is made by the stated deadline. Many thanks for your support.

## Parent Consultations

Letters will be sent out to parents/carers via bookbags on Monday to confirm your allocated time slot(s) for the forthcoming Parent Consultations.

Every effort has been made to meet requests but, if you are unable to make the time allocated, please ensure you contact the school office as soon as possible to arrange an alternative time.

*The time slots are 10 minutes duration and teachers have been advised to ensure appointments do not run over; we would be grateful if you could arrive just before your appointment time to avoid congestion.*

## Decorate an Easter Egg Competition

Our annual 'Decorate an Easter Egg Competition' is almost upon us ~ please see the flyer below for more details. Now's the time to think about an 'eggcellent' idea/theme (how about the coronation of King Charles III?) and we look forward to seeing your creations at the end of term.

## LSA Bingo Night

If your child wishes to take part in the LSA Bingo Night, please make payment via your child's ParentPay account to book a place by Monday 27 March 2023.

**FOOD HYGIENE INFORMATION:**  
**PROVIDING FOOD AT COMMUNITY AND CHARITY EVENTS**

Food supplied, sold or provided at charity or community events, such as street parties, school fetes or fundraisers, must comply with food law and be safe to eat.

As a school and LSA, we don't have to provide information for consumers about allergens present in the food as ingredients. However, the Food Standards Agency recommends that the more information we can provide about allergens orally or in writing for customers, the better it is, so that they can make safe choices, particularly for those with allergies.

As the school and the LSA occasionally ask parents/carers to make cakes/buns for fundraising events to sell in school and to members of the public, ie., The Fairtrade Coffee Morning, we list below the guidance given by the Food Standards Agency for your information.

### **Cakes**

You can serve home-made cakes at community events. They should be safe to eat if:

- a recipe from a reputable source is used
- the people who make them follow good food hygiene advice
- the cakes are stored and transported safely.

### **Making and transporting cakes**

If you make a cake at home:

- use recipes from reputable sources
- always wash your hands before preparing food
- make sure that surfaces, bowls, utensils, and any other equipment are clean
- don't use raw eggs in anything that won't be thoroughly cooked, such as icing or mousse
- keep cheesecakes and any cakes or desserts containing fresh cream in the fridge
- store cakes in a clean, sealable container, away from raw foods.

On the day, when you bring in cakes from home or run the stall, you should:

- transport cakes in a clean, sealable container
- make sure that cheesecake and any cakes or desserts containing fresh cream are left out of the fridge for the shortest time possible, ideally not longer than 4 hours
- label your baking (ie. Coffee & Walnut Cake) to enable the public can identify potential allergens for themselves.
- when handling cakes use tongs or a cake slice.

### **Storing cakes**

You can keep cakes and baked goods with high sugar content in:

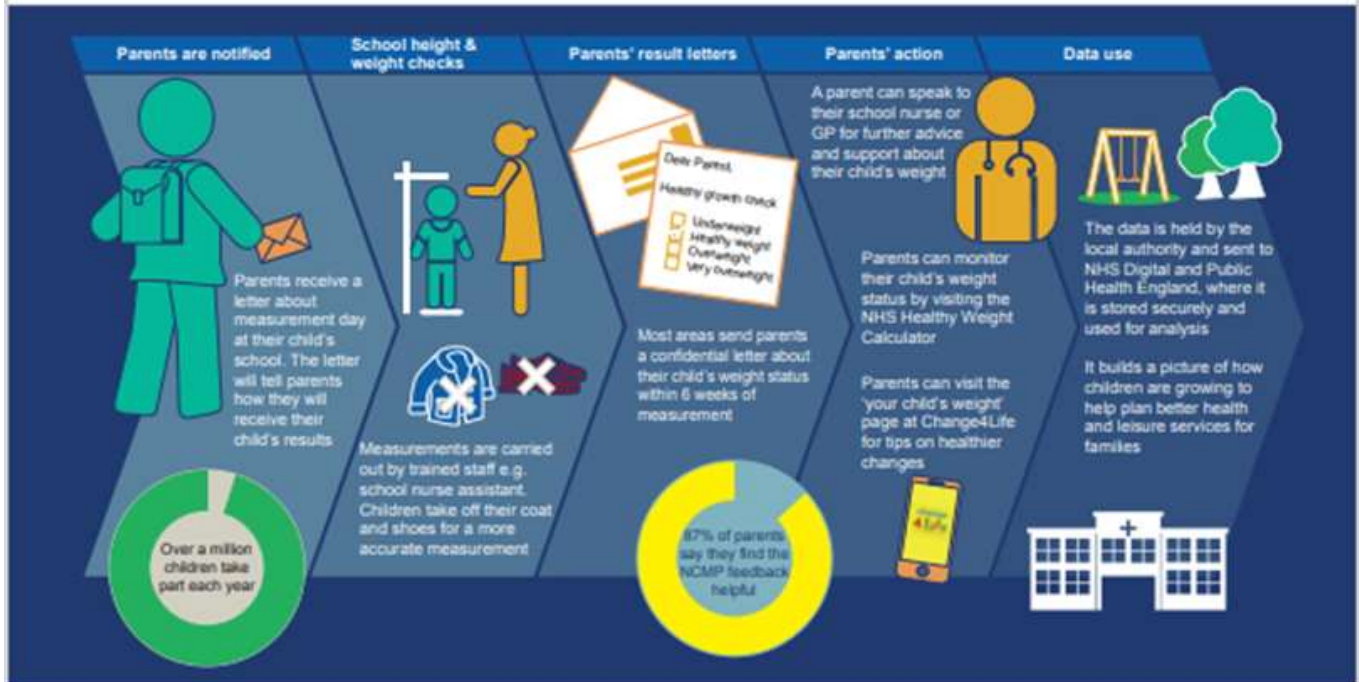

- airtight containers - this will prevent mould growth through absorption of moisture from the atmosphere
- the fridge - cakes will last for longer, but their quality may be affected.

Any cakes with high moisture additions, such as cream added after baking, should not be left at room temperature. They must be stored chilled (in the fridge) and eaten within the use-by date of the added product.

There are some types of icing, such as ganache and buttercream, that can be kept outside the fridge. It's best to store them somewhere cool and dry. Check the guidelines for storage of the particular icing product you will be using.

# School height and weight measurements

Every year, throughout England, more than a million children in Reception and Year 6 have their height and weight measured at school as part of the National Child Measurement Programme

## What we know from the data collected so far

- Most children in Reception and Year 6 are a healthy weight.
- Around one in ten children in Reception is very overweight. This doubles to one in five children by year 6.
- The number of very overweight children in Year 6 is increasing year on year.
- Most children who are overweight in Reception will remain so or become even more overweight for their age by year 6 without action to achieve a healthier weight.

Because many children are overweight, we are all becoming used to seeing heavier children as the norm. It means we cannot always tell when a child is overweight. That is why many parents find it helpful to have an objective measurement of how their child is growing. More than 8 in 10 parents say this information is helpful and they can then make decisions about their child's lifestyle and wellbeing to make changes, or seek support if necessary.

## Why achieving a healthy weight is important

When children are a healthy weight, they feel better about themselves. They find it easier to play and learn. And they are more likely to grow up healthy too. Helping them to be a healthier weight when they are a child can set up their health and wellbeing for life.

You can encourage the whole family to enjoy eating healthily and being active which will help your child achieve and maintain a healthier weight. Children who see their parents, grandparents and carers following a healthy and active lifestyle tend to join in and learn by example. These habits become a normal part of everyday life for the whole family.

# The Annual Lothersdale Primary School's DECORATE AN EASTER EGG COMPETITION

It's time to get creative and think about your winning ideas for this year's Decorate an Easter Egg competition taking place in school the last week of term.

Decorating: Thursday 30 March 2023  
Judging: Friday 31 March 2023

On Thursday 30 March, you will need to bring in 2 hard boiled eggs and whatever extra items you need to decorate your egg (card, coloured paper, tissue paper, paints and felt tips will be available in school).

**GOOD LUCK EVERYONE!**
