Please remember to wear a face mask on the school playground and keep your distance.

Please find detailed below Headteacher updates for your information. If you have any queries regarding any of the content below, please contact the school office.

Dear Parents/Carers

It has been a wet and miserable week this week, but that has not dampened spirits here in school.

I was reminded of the first day I visited Lothersdale last year as it was raining heavily then, and the children were all enjoying indoor play at lunchtime. I was impressed then, and I still am today, with how the children conduct themselves when inside the school. In many schools, teachers dread indoor playtimes because of poor behaviour or chaotic classrooms, but I'm happy to say that is definitely not the case at Lothersdale - well done to all the children.

The Teddy Bears' Picnic was another victim of the rain this week, but we made up for it by having indoor picnics either in classrooms or in the hall; the children still thoroughly enjoyed themselves.

I cannot quite believe that this half term has nearly finished - just one more week to go!

Next week, the children in Year 4 are heading off on their residential visit to Eshton Grange, and we all have our fingers crossed for fine weather for them. I will be travelling up to join them on the walk to Ingleton Falls and White Scar Caves on Thursday, so that's a guarantee of good weather - it never rains when I go on a school trip! (famous last words)

We have received a steady stream of votes this week for the vacant position of parental governor - if you have not voted yet, please complete your ballot paper and drop it in the box in the playground on any morning next week; polls close on Friday.

Have a lovely weekend.

With very best wishes

COLUM GROGAN

Please find detailed below general updates for your information. If you have any queries regarding any of the content below, please contact the school office.

Parent Governor Vacancy ~ Election Ballot

Thank you to the five parents/carers who have nominated themselves for the current Parent Governor vacancy. A letter and corresponding documentation was sent out to all parents/carers on Tuesday regarding the election ballot for this vacancy. Please ensure the completed Ballot Form is returned by Friday 28 May 2021.

Teddy Bears' Picnic Lunch

Yesterday the children all enjoyed our Teddy Bears' Picnic lunch, despite the poor weather which prevented us from eating outside.

It was nice to see so many teddies taking part and thank you to Mrs G and Mrs Pickard for making a fabulous picnic lunch which we all loved!

School Uniform

We would be grateful if all parents/carers could reacquaint themselves with the school uniform list (located on the school website under 'Info') to ensure that all pupils are coming to school in the correct uniform. Unfortunately, we have a number of children who are not wearing the correct footwear and would remind parents/carers that trainers/boots are not appropriate school footwear whilst in class. Please therefore ensure that black school shoes are worn to school. We understand that sometimes children can grow out of shoes or they get damaged and need to be replaced – if you are unable to get to a shoe shop before a weekend and have to send children with substitute footwear, then please email the school office to let us know. Thank you for your support.

Great Tit Family Update!

Wow! Our Great Tit chicks are getting bigger and bigger and are thriving. We count six healthy chicks and their mummy and daddy are very busy going out to find bring back food for them. Check out the latest photos in our photo gallery.

Ilkley Literature Festival ~ 2021 Children's Poetry Competition

Please remember that the deadline for the 2021 Children's Poetry Competition is next Friday, 28 May 2021. All the information was sent out in Friday News Issue 21 but, to recap, the theme is 'Nature and the Natural World'.

Your poem could be inspired by something in your garden; a bird or a tree you can see from your window; a wild animal, a plant or a flower; a forest, a hill or a river; or the feeling of the wind on your face. **We are inviting all our pupils to write a poem at home and submit it via the link below.**

The age categories for the competition are:

- Reception, Year 1, Year 2
- Years 3 and 4
- Years 5 and 6

Please note that the festival also run a separate Young People's Poetry Competition for Years 7 to 13, and you can find more details [here](#).

If you need inspiration to get you started, click on the link below to watch a video, in which the judge, **Andy Craven-Griffiths**, will offer you five tips to stand out!

<https://www.ilkleyliteraturefestival.org.uk/children-young-people/2021-childrens-poetry-competition>

Winners of the competition will be invited to read their poems at a special prize giving event this summer and will receive book tokens. Winners and runners up will also receive a book and a certificate.

Rules of entry

1. One entry per young poet. Please make sure it is original work.
2. Poems should be on the subject of **nature or the natural world**.
3. Poems should be no longer than 28 lines (excluding the title).
4. Entries are open to Yorkshire and Lancashire residents only.

The competition will be judged by poet and writer **Andy Craven-Griffiths**. He will be looking for originality, use of language and distinct ideas.

ILF will accept any subject matter as long as there is an explicit link to nature.

ILF are unable to offer feedback on individual poems or enter into any correspondence regarding judging and selection.

How to Enter

Due to the ongoing COVID-19 pandemic, the festival is only able to accept entries online and apologise for any difficulties this may cause.

1. Write your poem on one side of A4 paper. You can do this by hand or you can type your poem on a computer. If you want to decorate your entry with drawings, please do so – we like pictures as well as words!
2. On your entry, write your **full name (first and last names)** and your **school year** (e.g. Year 5).
3. If you are using a computer, save the document with your poem. If you have hand-written your entry, get an adult to help you take a good, clear photo of your poem with a camera so it can be read easily (you may wish to use the camera on a phone or a tablet).
4. Fill in the **online entry form** with your name and contact details. You will need to ask an adult to help you with this.
5. Upload your poem to the entry form and click submit!

Closing date for receipt of entries: Friday 28 May 2021

If you have any further questions, please contact your class teacher or info@ilkleylitfest.org.uk who will be happy to help. Happy writing, and good luck everyone!

Extended Schools' Activities ~ Summer Term Second Half

Thank you to those parents/carers who have already booked their children in to an extended schools' activity after the half-term break. Some clubs are filling up quickly so please ensure you email school as below as soon as possible if your child wishes to take part in a club to avoid any disappointment.

FREE Clubs: Please email the school office (lothersdale@ycatschools.co.uk) by **Friday 4 June 2021** to book a FREE activity place for your child. It would be helpful if you could include the name of the club(s) in the subject header to help us identify the replies easily. Activities will be allocated on a first come first served basis.

STEM Club: *please note that places will be offered to children who have not yet taken part*, in the first instance. We will inform you if further places will be available to children currently in the club as soon as we can.

PAID Clubs: the deadline for payment for children taking part in paying clubs is **Friday 4 June 2021** to enable your child to continue with his/her chosen club. Your child's name will only be entered on the activity lists once payment has been made. The extended schools' accounts will be removed from ParentPay once the deadline has passed so it is important that payments are made promptly.

Drama Clubs: please note the new times for Drama after half-term to coincide with the current staggered school finish times:

Reception Drama – 3.05 to 4.05pm

Y3/4 Drama – 3.10 to 4.10pm

All extended schools' activities finish during the week ending Friday 16 July 2021. The activity lists will be available to view on the school website by close of play on Monday 7 June 2021.

Please note that we are unable to add your child to an activity list once the deadline has passed and the lists have been distributed to providers and LOOSC. It is therefore important that you help us to avoid your child missing out on an activity by adhering to the stated deadline.

LSA Fundraiser ~ Get Moving for Marathon May

Thank you to those children (and parents/staff!) who have sent in photos this week to show us how they have been 'getting moving' for Marathon May.

They are all well on track for the target 26 miles and we look forward to receiving photos over the next week from more children to show us how fit you are all getting!

Well done everyone!

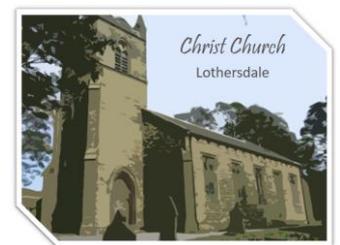

Class 1 Updates
from
Mrs Bateman

Please find detailed below Class 1 updates from Mrs Bateman. If you have any queries, please contact the school office in the first instance (lothersdale@ycatschools.co.uk).

It has been another interesting week for us all. There is great excitement in Class 1 due to the new life and changes we are seeing first-hand. Nest-cam continues to be a daily source of interest as the children watch the parent birds flying in and out with beaks full of grubs and insects, some of them seemingly far too big for the tiny chicks! It appears that baby birds just eat, sleep and poop (to the delight of Class 1). All of the children have impressed me with their reading and writing this week inspired by our bird family. Well done Class 1!

We have been really carefully looking after our chrysalides and this week butterflies have begun to emerge. We are feeding them sugar water and slices of fruit before we release them into the wild.

We were welcomed back to church this week. The children really enjoyed their visit! The children took their teddies, as it was teddy bear's picnic day, and Reverend Collings told the children about a baptism celebration she has enjoyed with her family. The children talked about Harvest, Diwali, Christmas, Chinese New Year, Holi, Easter and Eid as celebrations we have learnt about this year. Reverend Collings was impressed by the great remembering!

Class 1 PE Lessons ~ Summer Term

Our PE lessons for this term will be:

Monday - Tennis with Skipton Tennis Centre

Friday - Multiskills with Gerry

Class 2 Updates
from
Mr Craven

Please find detailed below Class 2 updates from Mr Craven. If you have any queries, please contact the school office in the first instance (lothersdale@ycatschools.co.uk).

This week in Class 2 we have been remembering and applying our knowledge of equal groups and multiplication. We have been solving some tricky problems and using the vocabulary to give reasons for our answers. We have also been learning the prefix un- and the effect that it has on words. The children have really impressed me with how confidently they have applied this knowledge to change sentences so that they mean the opposite.

We also finished our computing topic and the children are much more confident using Purple Mash. Please continue to use Purple Mash at home, you are welcome to access the different games in the chimp level and also access the free code chimp game.

Class 2 PE Lessons ~ Summer Term

Our PE lessons for this term will be:

Monday - Tennis with Skipton Tennis Centre

Thursday - Multiskills with Gerry

Class 3 Updates

from

Miss Gallagher & Mrs Daniell

Please find detailed below Class 3 updates from Miss Gallagher & Mrs Daniell. If you have any queries, please contact the school office in the first instance (lothersdale@ycatschools.co.uk).

This week in Class 3 we have reviewed our division work and all children understand the bus stop method for short division. The children also recognise that knowing their times tables is an important part of division work and we have been using Times Table Rock Stars this week to enhance this learning. Please help your child/ren to practise their times tables using TTRS at home too.

Class 3 have really impressed all adults with their computing skills this week. They have built their knowledge of coding really well and we will continue this next week when all children will create their own game.

Additionally, we loved our Teddy Bear's Picnic lunch but not the awful weather! We therefore enjoyed our ice lollies in the class whilst watching Toy Story.

Next week, Year 4 will be attending Eshton Grange from Wednesday to Friday. Please can I ask that the children help to pack their own bags, so they know exactly where everything is.

Have a lovely weekend,
Miss G and the Class 3 team

Wednesday 26 May 2021 ~ Year 3 Rewarding Reading Session ~ **CANCELLED**

Please note that next week's session on Wednesday 26 May 2021 has been cancelled due to the Year 4 Eshton Grange residential.

Year 4 Residential Visit to Eshton Grange ~ 26-28 May 2021

All the children in Year 4 are really looking forward to the residential visit to Eshton Grange next week. Please check the kit list (also available on the Class 3 page on the website) to ensure your child has everything they will need and also remember that they must bring a healthy packed lunch on Wednesday to eat on arrival at Eshton Grange. May we remind parents/carers that space is limited and therefore to keep their child's travel bag as small as possible.

Medicine

Please do not bring any prescribed or non-prescribed medicines into school on Wednesday unless you have completed an Agreement to Administer Medicine form. Please note that medicines, including non-prescriptive medicines such as Calpol or travel sickness tablets, cannot be given to children unless a form has been completed.

If you think your child may need to take non-prescribed or prescribed medicine during the residential visit and staff have not been made aware, then please complete the Agreement to Administer Medicine form, which is available to download from the Class 3 page on the school website. Completed forms and medicine must be brought into school on 26 May 2021 and handed to Miss Gallagher or the school office. **Please do not pack any medicine in your child's bags. All medicines must NOT be handed to a member of staff on Wednesday morning without completing the appropriate form.**

Collection arrangements ~ Friday 28 May 2021

Please note that it is anticipated the children will return to school at approximately 2.30pm on Friday 28 May 2021. Please inform Mrs Ellison in the school office if your child will not be collected at 2.30pm so that we can safely account for all children at this time ~ we will need to know if your child will be picked up as normal at 3.15pm, staying for Football Club or will be going to Lothersdale Out of School Club.

If you have siblings in school, they can also go home with you at 2.30pm. If we do not hear otherwise we will assume your child will be collected at 2.30pm and will ensure siblings are ready to go home too.

Class 3 ~ Swimming

This week was the last Class 3 swimming session until the autumn term. The deadline for payment of contributions towards these weekly swimming lessons was Monday 3 May 2021. If you have not yet made a contribution, and still wish to do so, please ensure payment is made as soon as possible to enable us to administer the costs effectively.

Class 3 PE Lessons ~ Summer Term

Our PE lessons for this term will be:

Tuesday - Tag Rugby with Hedley

Thursday - Cricket with Gerry

Class 4 Updates
from
Mrs Fawcett

Please find detailed below Class 4 updates from Mrs Fawcett. If you have any queries, please contact the school office in the first instance (lothersdale@ycatschools.co.uk).

We have had a very busy penultimate week of the half term. Year 6 have focused on data handling, learning the difference between discrete and continuous data and have learnt how to establish the radius and diameter of a circle. Year 5 have completed their work on decimals and percentages, and they continue to impress Mr. Grogan with their application and determination. In English we have continued with the reading domains work and have applied this knowledge to short texts this week. We have revised our knowledge of punctuating direct speech and will be using this element to advance the action in our writing next week. In geography, we have learnt about Fold, Block and Dome mountains.

Congratulations to Isla P, Katie and Isaac who have moved up a level in Reading Plus. Have a great weekend, and we look forward to seeing you on Monday.

Class 4 PE Lessons ~ Summer Term

Our PE lessons for this term will be:

Tuesday - Tag Rugby with Hedley

Friday - Cricket with Gerry
