Health & Safety Update!

Access to the Woodland Area

Please note that, following a Health and Safety meeting, we have updated our signage to the woodland area. At break time and lunchtime the area is supervised by two members of staff to meet our health and safety/insurance requirements.

Unfortunately we are unable to allow access to the woodland area outside normal school hours (before 9am and after 3.15pm) and would therefore be grateful if parents/carers could supervise children accordingly to ensure they do not enter the woodland area before and/or after school. Many thanks for your support.

Severe Nut Allergy

We currently have children in school with nut allergies (one of whom has a severe nut allergy) and therefore it is important that we try and ensure the school is as 'nut free' as possible.

We would be grateful if you could refrain from bringing any nuts, or products containing nuts, onto the school premises and we thank you for your support in helping to keep all our

children safe in school.

Please find detailed below general updates for your information. If you have any queries regarding any of the content below, please contact the school office.

Extended Schools ~ Summer 2019 Second Half

Woolcraft

The Woolcraft group would like to make some blue and white bunting for Sports Day.

They have got some blue and white wool and the children are going to knit some triangles. We could do with quite a few triangles and therefore would like to open it up to any of the children at school

who can knit, along with parents/carers or grandparents. Woolcraft club is happy to supply the wool - please ask Mrs Ellison in the school office.

The pattern is as follows:

Cast on 3 stitches, then increase one stitch at the beginning of each row until the triangle is 12cm long then cast off.

Dates to Remember:

- There will be no Football session on Friday 14 June 2019.
- There will be no clubs on Wednesday 3 July 2019 due to Sports Day.
- There will be no Get Groovy club on Monday 8 July 2019.

Let's Celebrate ~ Eid

This week Muslims around the world have been celebrating Eid. The festival of Eid marks the end of Ramadam, a holy month of fasting. We have learnt about this festival in our assemblies this week and children in Class 1 enjoyed eating some of the special foods that Muslims prepare in their Eid feasts in their classroom.

LSA Newsletter

The LSA Newsletter has been sent out via bookbags today with all the current news and event dates for your information.

Please find detailed below Class 1 updates from Mrs Bateman. If you have any queries, please contact the school office in the first instance.

Transition ~ New Reception Children

On Tuesday afternoon we were delighted to welcome our new reception children for their first visit to 'big' school. We have 15 new children starting in September and Mrs Bateman was really pleased with how they all settled and started to make new friends. A special mention must be made to our Year 5 pupils who gave our new children and their families such a warm welcome to Lothersdale Primary School.

Eid Celebrations

This week Class 1 have been learning all about Eid. They remembered that Ramadan is a holy month for Muslims and that Eid is the celebration at the end of Ramadan. The children made the link between Ramadan and Christmas as, in both celebrations, families eat special meals together and exchange presents. At the end of Ramadan Muslims break their fast with a special meal and the children tasted naan bread and made a mint and yoghurt dip to try. Class 1 have learnt about so many celebrations this year including Christmas, Holi, Diwali and Easter and over the next few weeks the children will be making an information book to take to church to share with Reverend Collings.

Class 2 Updates from Mr Craven

Please find detailed below Class 2 updates from Mr Craven. If you have any queries, please contact the school office in the first instance.

Class 2 ~ Swimming Contributions

The deadline for payment of contributions towards Class 2's weekly swimming lessons this term was Monday 3 June 2019. If you have not yet made a contribution and still wish to do so, please ensure payment is made as soon as possible to enable us to administer the costs effectively. No child will be excluded if his or her parents/carers do not contribute, but if insufficient voluntary contributions are received then regrettably, this activity will not continue.

Class 3 Updates from Mrs King & Miss Gallagher

Please find detailed below Class 3 updates from Miss Gallagher & Mrs King. If you have any queries, please contact the school office in the first instance.

Class 3 September 2019 ~ Current Year 2 Transition

The Year 2 children have had a lovely few days in Class 3 getting ready for being Year 3s in September. On Wednesday, they had a fun day working in team point groups with the Year 3 children. In the afternoon, they had a competition to see who could build the strongest bridge using straws, lollipop sticks and masking tape.

On Thursday, all the children enjoyed a special science lesson together with Mrs Woolley from South Craven. Everyone really enjoyed looking like a real scientist, wearing safety glasses to protect their eyes. They were fascinated and amazed at how the universal indicator changed the colour of different liquids and that then helped them to work out if it was an acid or an alkali. It was like we were in Hogwarts making potions! The children know how to make their own colour indicator by boiling red cabbage and using the water to test out different liquids at home, although they will need help from an adult to do that. Have a look at some of our photos. Miss Gallagher is very proud of how hard the Year 3's have worked to help the Year 2's feel comfortable and enjoy their transition days. In addition, all the Year 2's have worked really hard and have thoroughly enjoyed themselves being part of Class 3. Well done everyone!

Year 4 ~ Eshton Grange Residential Visit

Our Year 4 children have had an amazing few days at Eshton Grange and the weather has been perfect, enabling them to use the swimming pool as much as possible!

On Thursday they had a fun-packed day at Ingleton exploring the Waterfall Trail where, three quarters of the way round, they were treated to ice creams and ice lollies. They then walked across the stepping stones to White Scar Caves.

After lunch, they were kitted out with helmets and headed into the cave for an excellent history tour of the cave.

Happy and tired, they travelled back to Eshton Grange for another welcome dip in the pool.

Many thanks to Mr Craven, Mrs Hill and Miss Laycock who all gave up their time to look after

the children superbly during the three day trip. Thank you also to Jenny Smith who supported the staff on Thursday by helping out with meals at Eshton Grange and the trip to Ingleton.

Last, but not least, we must thank Mark and his team at Eshton Grange for their wonderful hospitality.

Class 3 Visit to Cliffe Castle Museum ~ Thursday 20 June 2019

Class 3 will be visiting Cliffe Castle on Thursday 20 June 2019 (this is a change of date from last week's Friday News) as part of their history topic this term and a letter and consent form has been sent out today with full details. Please ensure the completed consent form is returned to school, and contribution made via ParentPay towards this trip, by Thursday 13 June 2019.

Year 4 Languages Fair at South Craven School ~ Tuesday 18 June 2019

Please remember to return outstanding reply slips to school on Monday 10 June 2019 to enable us to meet the South Craven School deadline.

Class 4 Updates from Mrs Fawcett

Please find detailed below Class 4 updates from Mrs Fawcett. If you have any queries, please contact the school office in the first instance.

Y5/6 'Harry Potter' Science Event at SCS ~ Thursday 6 June 2019

Well done to our team of 'scientists' from Year 5 ~ Alice, George, Jacob, Finn, Millie O, Daisy, Layla S, Millie S, Georgia and Annie ~ who took part in the Science Event at South Craven School yesterday. They had a fabulous time and, linked to the theme of Harry Potter, they made their own magic slime and mixed potions in Professor Snape's lab! Mrs Bateman was proud of their behaviour and contribution. Well done!

Class 4 visit to Murton Park (York) ~ Friday 21 June 2019

Letters were sent out yesterday regarding the Roman Day at Murton Park near York on Friday 21 June 2019. Please ensure the completed consent form is returned to school on Monday 10 June 2019. We still have a number of outstanding contributions towards this visit. If you have not yet paid and still wish to do so, please ensure payment is made by Monday 10 June. Please note that if the payment is not showing up on your ParentPay account, then payment has already been received for this visit.

Year 6 ~ PHSE ~ Thursday 4 July 2019

Letters have been sent out today regarding the puberty talk for Year 6 children on Thursday 4 July 2019.

Year 5 ~ Skipton Girls' High School Open Evening for Sept 2020 entry

Letters have been sent out today to parents/carers of girls currently in Year 5 regarding the Open Evening taking place at Skipton Girls' High School on Wednesday 10 July 2019. The letter also details the admissions process if you are considering putting your daughter forward for the selection test. Please note that Lothersdale Primary School is outside the catchment area.

Sporting Events

Please find detailed below information regarding sporting events taking place out of school. If you have any queries, please contact the school office.

Class 4 ~ Brownlee Triathlon ~ Friday 24 May 2019

We had a great time at the Brownlee triathlon at Bradford Grammar School on Friday 24 May. Everyone completed all disciplines with absolute focus and determination and were very proud of their achievements.

Firstly, we all completed a 50m swim in the pool, quickly dressed into our shorts and 'Triathlon' t-shirts and ran out of the swimming pool as quickly as we could. We headed towards the bikes, jumped on and completed an 800m cycle ride, carefully negotiating the course.

Finally, we dismounted our bikes and completed the final leg of the challenge, running 300m around the marked track.

All children were incredibly supportive of each other, those who had completed the course cheering on and running alongside their team mates as they made their way to the finish line. Without exception, all children had a brilliant time and were grateful to be given such a brilliant opportunity, many saying they would like to compete in a triathlon again soon.

What a fabulous way to end the half-term!

Y5/6 Rounders Festival at SCS ~ Tuesday 11 June 2019

Good luck to Megan, Matilda, Alex, Oliver H, Layla K, Lily, Will L, Jack S and Millie S, who will be playing rounders against local primary schools next Tuesday at South Craven School.

School Office Information

If you have any queries regarding any of content below, please contact the school office.

Class Photographs and Year 6 Leavers' Photographs

All class and Year 6 Leavers' photo packs will issued via bookbags on Monday. If you wish to purchase your child's class photograph, please ensure the sealed named envelope containing payment and completed order form is returned to school by Monday 17 June 2019. The orders will then be collected by courier for processing. Please note that the actual class photographs have been placed in the main reception area for you to view prior to purchase.

School Deadlines

May we remind parents/carers of the importance of returning reply slips and/or making payments by the requested deadlines. Despite text reminders, returned paperwork is still not making it back into the school office and it is becoming increasing difficult for the administrator to maintain deadlines set by other providers. We would be grateful if you could support the school in this matter. Many thanks.

'GROW A £1' PROJECT

Lothersdale School Association would like to introduce their 'Grow a £1' Project to encourage children to engage in learning that promotes entrepreneurial skills, whilst also raising money towards their end of school disco!!

The idea is that the LSA will give children, who want to take part in the project, £1. They will then be challenged to do something with the £1 to generate more money, which will then be donated to the LSA. All the monies raised will go towards paying for the end of year school disco and other items that they fundraise for school.

This type of fundraising scheme has been successfully completed in other local primary schools and here are some of the ideas of how other children have 'grown their £1':

- 1 Making cakes/biscuits – some children chose to work in a group and pool their £1 coins together to buy ingredients to make cakes to sell to their family/friends.
- 2 Guess how many sweets in a jar – one child spent £1 on sweets and then filled a jar with them. People then had to pay to guess how many sweets there were and the winner won the sweets!
- 3 Car washing service – some children worked collaboratively to set up a car washing service, using their £1 coins to buy the equipment.
- 4 Making book marks – children bought materials to make book marks and sold them.
- 5 Teddy Bear raffle – one child bought raffle tickets with the £1 coin and donated some of her own teddies and raised money by running a raffle.
- 6 Selling ice lollies – a few could club together as a team and sell ice lollies on sunny days after school!

As you can see there are lots of enterprising ideas!

Anybody with a 'product' to sell will be given the opportunity to sell the 'product' on Friday 21 June, Friday 28 June, Wednesday 3 July (Sports Day) or the Young Farmers have agreed to let us have some tables at their annual show on Saturday 13 July 2019.

We are sure that your children will come up with some fabulous ideas on how to grow their £1. Your child might like to keep a simple diary and take photos of their project too, which will be displayed in the school hall and could be used to update everyone on how the project is progressing.

We would like to encourage as many children as possible in our school to take part in this project however it is certainly not compulsory. It is open to all pupils. If your child would like to take part in this exciting project, please complete the attached consent form and return to school in an envelope addressed to the LSA by Friday 14 June 2019. The £1 will then be issued via bookbags on Monday 17 June 2019.

The children will have until Friday 19 July 2019 to run their businesses, with the aim of making as much money as possible to return to the LSA. If you have any questions please contact Laura Sykes.

There will be a prize for the child/group who raises the most money. Good luck everyone!
