Headteacher update

Dear Parents/Carers

It has been another incredibly busy week here in school; I never would have believed just how much goes on in a small school if I hadn't actually witnessed it for myself. The children continue to amaze me on a daily basis with their good humour, incredible manners and desire to learn. We know that when children leave us and move on, they are always very well regarded by their new teachers due to their tremendous attitude, and for that, all our children should be proud.

One area in which the children always impress is in their attitude to sport and competition. This week, children in Class 4 represented us on two occasions at South Craven School, in cricket and rounders inter-schools' competitions. As ever, they were amazing and, although they didn't win the competitions, they shone above the other schools with their team spirit and the respect they showed to others and to our hosts at South Craven School. Well done to all the children.

Sport continues to be a strength of our school and I am delighted by the attitude of the children in the way they embrace so many different sports. I'm particularly pleased this week to see such a tremendous number of children wanting to be part of Gerry's football club after school today; we have 31 children on the list, including 13 girls which is really lovely to see. They clearly loved their girls-only football and have grown in confidence so much that they feel ready to join in with the boys – a fabulous result. Thank you, Gerry for nurturing these children and sharing your skills and experience with them. Maybe we have professionals of the future in our ranks – boys and girls.

Next week we welcome three new children into our Lothersdale School family, including 2 siblings who have moved into the village and a young boy who has just arrived from Ukraine. I am sure you will join me in welcoming these children and helping us to make them feel very quickly at home.

I wish you all a very pleasant weekend.

Colum Grogan

**GENERAL SCHOOL
UPDATES**

Please find detailed below general updates for your information. If you have any queries regarding any of the content below, please contact the school office.

Growing Up in North Yorkshire Survey – Years 2, 5 & 6

A letter was emailed on Thursday to parents/carers of children in Years 2, 5 & 6 regarding this year's **Growing Up in North Yorkshire Survey**, which is being completed in school next week.

If you do not wish your child to take part, please email the school office by Monday 13 June 2022.

Queen Elizabeth: A Platinum Jubilee Celebration Commemorative Book

On Thursday, all children in school took home a free commemorative book to mark Queen Elizabeth's Platinum Jubilee. Designed as an official once-in-a-lifetime commemoration of the Platinum Jubilee and written in collaboration with royal experts and historians, the book tells the story of a young girl, Isabella, visiting her Great Granny Joyce who tells her about the Queen and this year's Jubilee.

In the story, Isabella sifts through Great Granny Joyce's treasure box of souvenirs, which act as introductions to the contents of the book. These include recent and historical events across the United Kingdom and Commonwealth, inspirational people, landmark innovations and inventions, and a selection of the best art, design, and culture.

The book also includes famous quotes from the Queen, facts on the coronation ceremony, content on the lives of famous Commonwealth figures such as Nelson Mandela, notable kings and queens and a timeline of Queen Elizabeth's life.

Children will be invited to personalise their individual copies of the illustrated reference book, by signing a 'this book belongs to' section at the beginning of the book.

The book will also help children understand how the four nations came together as one United Kingdom, including details such as Owain Glyndwr's rebellion against the English in 1400 to take the title of 'Prince of Wales', on the journey to the Queen's reign which continues to this day.

Education Secretary Nadhim Zahawi said:

Queen Elizabeth II is the first British Monarch to celebrate a Platinum Jubilee and Her Majesty's dignity, commitment and grace continues to inspire people all over the world.

Millions of children will soon receive their own commemorative Jubilee book, celebrating and showcasing the Queen's incredible living legacy. I hope all our pupils are as excited as I am to read about Her Majesty's amazing life and the people and events that have shaped history during the last 70 years.

School Diversity Week and Rainbow Monday

School Diversity Week will take place nationally from 20 to 24 June 2022 and, as a school, we will also be celebrating individuality, respect and expression via assemblies and classroom projects that week.

Children in Class 3 and Class 4 will also be taking part in an online workshop with the author Benjamin Dean, who wrote the book 'The Secret Sunshine Project', a heart-warming story of kindness, courage and love.

To start the week, we are asking all children to celebrate **RAINBOW MONDAY** by coming to school dressed in normal school uniform but wearing a top (instead of the school sweatshirt) in their favourite colour/colours, which best represents them as individuals. Hopefully our bright, colourful Monday will be a joyous sight!
