**General
School
Updates**

Please find detailed below general updates for your information. If you have any queries regarding any of the content below, please contact the school office.

Internet Safety Evening ~ Tuesday 2 July 2019

Letters were sent home via bookbags yesterday regarding the Internet Safety Evening taking place in school for parents/carers from 7.00 to 8.00pm. To enable the course leader to make the correct provision on the night, please ensure that reply slips are returned to school (whether attending or not) on Monday 1 July 2019.

PE Kit

All children have brought their PE kits home tonight to be washed so that they are clean for Sports day. They need to be brought back to school on Monday ready for PE activities and Sports Day practices next week.

Extended Schools ~ Drama and Running Clubs ~ Wednesday 3 July 2019

Please note that there are **NO CLUBS** after Sports Day next week.

Farm Safety Day ~ Monday 24 June 2019

This week the whole school enjoyed talks on both animal and farm safety. Mrs McGarrell brought in some goats and spoke to the children about what we need to do to be safe around farm animals. Importantly for our children, they discussed how to safely walk across a field of cows. The children learnt the importance of walking slowly and quietly so not to be of any interest to the cows. They also learnt why it is so important to always wash hands

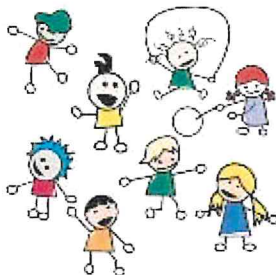

after being around farm animals.

Mr Smith led a session on farm safety and being safe around different farm machinery, animals and chemicals found on a farm. He brought with him three tractors and some different trailers and equipment to show the children. They were all very engaged and interested in what he had to say.

Thank you to Mr Smith & Mrs McGarrell for coming along to talk to the children.

Sports Day ~ Wednesday 3 July 2019

Next week is our annual Sports Day in Lothersdale Park. A flyer has been sent out via bookbags today with further details. Please take time to read the information, particularly with regard to parking arrangements on the day, and that relatives/friends coming along to this event are also made aware. In previous years the South Craven School bus has been prevented from driving past the school/park due to poor parking. Please support us by respecting the local community

and ensuring that the people living in the village are able to continue as normal whilst Sports Day is taking place.

Safeguarding:

1. After the races, we need all parents/carers/relatives/friends etc to support us by remaining in the park until all the children have returned to school. This will help us guarantee that all children are accounted for and ensure there are no accidents if you are helping to bring the equipment back to school.
2. Please do not upload any photographs taken at sports day onto the internet that include other children apart from your own, unless you have permission from their parents ~ Thank you!

Gazebos

Last year the gazebos did a wonderful job keeping the children in the shade and we would be grateful if you could contact the school office via email if you are happy to loan us a gazebo for use on Sports Day. We will then confirm with you and ask to bring in first thing on Tuesday morning to enable us to set up in the park.

LSA Sports Day Event ~ Raffle Prizes

The LSA are still low on raffle prizes for next week and would be grateful if you could bring in on Monday along with any filled jam jars you can donate. Many thanks in advance for your support.

LSA 'Grow £1' Project

Our budding entrepreneurs did an amazing job of increasing their £1 for the LSA Grow £1 Project last Friday. We were all very impressed by their ingenuity and selling techniques!

Today we look forward to seeing more stalls and enterprising ideas after school.

Remember to email the LSA in advance (lsalothersdale@gmail.com) if your child would like a table on any the dates below:

Wednesday 3 July 2019 at our Sports Day event

Saturday 13 July 2019 at Lothersdale Young Farmer's Show

Pupil Fundraising Events

We are very proud of several of our pupils who are raising money for various charities and they have asked for the following information to be included in our newsletter this week:

Zip the Pepperpot ~ Saturday 22 & Sunday 23 June 2019

Well done Millie O (Class 4) who raised money for Manorlands by taking part in last weekend's Zip the Pepper Pot Zip Wire challenge in Cowling. She superseded her target so many thanks for any donations you made to this worthwhile cause.

Annie's 'BIG SHAVE' ~ Wednesday 17 July 2019

Well done to Annie who has already raised £900.00 towards her Autism fundraiser. This will pay rent for one year and she is already well on her way to raising enough to pay for two year's rent, which is fantastic. Please stay and watch her 'big shave' and, if you can, donate to:

www.justgiving.com/crowdfunding/annieshaveitforautism

Leavers' Disco Night ~ Thursday 18 July 2019

Our Leavers' discos will take place in school on Thursday 18 July 2019 for all children and invitations have been sent out via bookbags next week. The LSA kindly agreed to fund this end of term treat and the times will be as follows:

6.00pm to 7.15pm - Reception, Year 1 and Year 2 (Class 1 and Class 2)

7.30pm to 8.45pm - Years 3, 4, 5 and 6 (Class 3 and Class 4)

Class 1 Updates from Mrs Bateman

Please find detailed below Class 1 updates from Mrs Bateman. If you have any queries, please contact the school office in the first instance.

Class 1 Toy History Museum

Thank you all for your kind donations to our class museum...how to make us feel old! The children have enjoyed looking at the artefacts, carefully touching them and looking for clues as to their age. The slips you returned with family information on have really added personal significance to the museum.

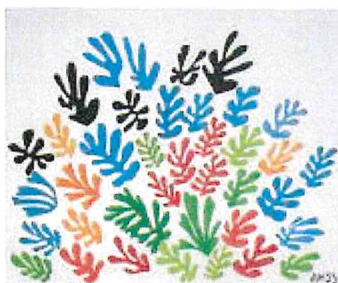

We would like to give a special mention to Annie Woodhead (Y5) and her mum who have let us borrow a huge range of toys including a 70 year old dolly and a game called Mousie Mousie which Mrs B used to play at her grandma's when she was little! We will keep our museum open for another week so if you don't mind us keeping some of your donations for a little longer that would really be appreciated. Please take precious toys home - thank you all again.

Class 1 Visit to Christ Church, Lothersdale ~ Wednesday 26 June 2019

This Wednesday we walked to the church in Lothersdale to share our celebrations book (with information about Poppy Day, Diwali, Hanukkah, Christmas, Chinese New Year, Ramadan and Eid) with Reverend Collings.

She loved the book and was surprised by the depth of the children's knowledge! As an extra treat she also joined us at school first thing in the morning to walk with us. As we usually meet her at church the first job was to turn on all the lights when we got there. We always enjoy the welcome we get at church and thank Reverend Collings for her continued support. Thanks also to Ella H's grandma who joined us for the visit.

Class 1 ~ Art Project

We have been learning about the work of the French artist, Henri Matisse in Class 1. The children have looked at his cut-out works of art including *The Snail* and *The Wheat Sheaf*. The children have discussed the colours and shapes Henri used in his modern art and how he was inspired by nature.

Using Henri's style the children have all enjoyed making their own cut-out pieces of work to share in a class book. Well done Class 1 you are real artists!

Class 2 Updates
from
Mr Craven

Please find detailed below Class 2 updates from Mr Craven. If you have any queries, please contact the school office in the first instance.

Class 2 ~ Art Project

Class 2's art project is focused on the life and paintings of the artist, Henri Rousseau.

The children have enjoyed looking at key features of his artwork. They have used their sketch books to practice different techniques used by Rousseau to replicate some of his art.

So far they have done a colour wash and created the background to their final piece of artwork. Next week they will add the final feature, which is a jungle animal.

Class 3 Updates
from Mrs King
& Miss Gallagher

Please find detailed below Class 3 updates from Miss Gallagher & Mrs King. If you have any queries, please contact the school office in the first instance.

Class 3 Visit to Cliffe Castle Museum ~ Thursday 20 June 2019

Last week, Class 3 ventured to Cliffe Castle to enjoy an end of topic trip about the Stone Age. All children were well behaved and this was commented on by Cliffe Castle staff. During the workshop some children had to dress up in different outfits to represent a different time in history. As a class we then had to put the children in order and explain how times changed from the Stone Age to modern times. Throughout the morning, the children split off into three groups and engaged well with three different activities.

Activity 1:

The children were able to handle real artefacts and match the problem card to the artefact by working collaboratively. We found out that the Stone Age people made needles from animal bones to sew the animal fur together to make clothing.

Activity 2:

Children were real archaeologists and had to dig to find artefacts. They then had to figure out from which time in history their artefact came from. Children used their prior knowledge from other history topics to help them to be successful.

Activity 3:

Observing delicate artefacts, the children had to discuss and sketch the dig site left from a bronze age settlement. The children were able to see similarities and differences between how the Stone Age people and how the Bronze Age people lived.

After lunch in the conservatory, we were able to enjoy some sunshine in the park outside before heading back into the museum to find out more about the Stone Age. All children worked hard to construct pottery, find

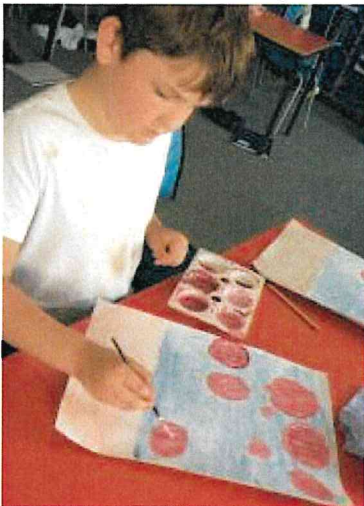

artefacts from the three ages of prehistory and made their own Stone Age weapons and tools.

Miss Gallagher would like to thank the parent (and grandparent) helpers who attended the trip, as without their help we wouldn't be able to extend children's knowledge by attending educational visits like this. Thank you to Mrs McGarrell, Mrs

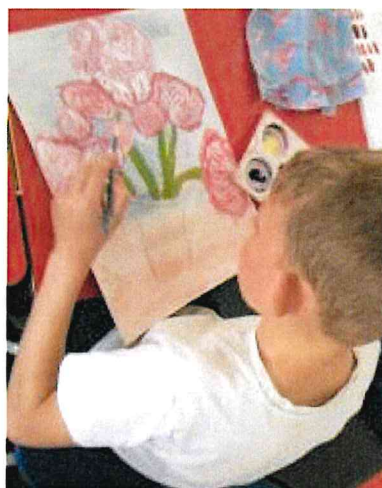

Harrison and Mrs Coates. Additionally, well done to all children in Class 3 for working well, showing respect to the general public and museum staff members and being a pleasure to take out of school for the day.

Class 3 ~ Art Project

Class 3 have been learning all about Vincent van Gogh and why he was famous. The children know when he lived and that he was a post-impressionist (using bright colour to represent emotions).

The class studied how van Gogh created movement through the paintings of sunflowers by using line, colour, shape and tone and have used a mixture of watercolour and acrylic paint.

The children produced their own amazing paintings of peonies in the style of van Gogh, by using impasto (thick layers of paint) and bold brush strokes.

**Class 4 Updates
from
Mrs Fawcett**

Please find detailed below Class 4 updates from Mrs Fawcett. If you have any queries, please contact the school office in the first instance.

Class 4 visit to Murton Park (York) ~ Friday 21 June 2019

Class 4 had an amazing time at Murton Park on Friday when we took on the role of Roman soldiers for the day. Complete with authentic tunics, helmets, shields and weapons, we completed training with spears and daggers. In the 'Fabrica' (workshop), we learnt how to make oil lamps from clay, in the 'Principia' (headquarters) we

wrote using Roman script, and caught up with our fellow comrades in the 'Lavatorium' (toilet block). We were pleased that we had learnt the 'Testudo' (tortoise formation) as we were attacked by a stray warrior from the Celtic settlement. Thankfully, down to our excellent skills, communication and planning, we fought off the intruder and arrived back safely in Lothersdale as planned! The Centurion commented on the children's excellent behaviour, listening skills, ability to follow instructions and enthusiasm throughout our stay. We were very proud of them all. We would like to thank Mr Oddy, Mrs Smith and Mr Cullen for accompanying us on our exciting trip.

Class 4 ~ Arts Project

In Class 4 this week, we have started to study our chosen artist, David Hockney. We have discovered that he was born in Bradford in 1937

and attended art school in London before moving to Los Angeles in the 1960s. In the 1970s, he began working in photography, creating photo collages he called joiners. He still continues to create and exhibit art, and in 2011 he was voted the most influential British artist of the 20th century.

We have considered the artists from whom Hockney took inspiration: Matisse, Picasso, Fragonard and Van Gogh. Over the next few lessons, we will be analysing his different styles of work including Pop Art, Cubism, Figurative Art, Impressionism and the influence of the Baroque period. Ultimately we will be producing our own pieces, taking inspiration from Hockney's style.

Year 5 Day at South Craven School ~ Thursday 4 July 2019

A letter has been sent out via bookbags today confirming arrangement for the year 5 Day at South Craven School. Children will join other Year 5 children from the Craven Cluster primary schools and will experience what it's like to be in a busy secondary school along with enjoying Design Technology and Performing Arts activities.

Please remember children need to be in school by 8.50am in order to register before setting off for South Craven at 9.00am. Children must be in their normal school uniform and bring a coat in case of bad weather. Please remember to bring along a packed lunch.

Year 6 Leavers' Concert & Presentation ~ Wednesday 17 July 2019

There will be two performances of the Class 4 special Leavers' Concert on Wednesday 18 July 2019 in the school hall:

The first concert will start at 2pm and will be a dress rehearsal. Parents/carers and grandparents of children in Year 6 are invited to attend, especially those with young children.

The second concert will start at 7pm and conclude with a presentation to our Year 6 leavers and we look forward to seeing parents/carers of children in Year 6 at this evening performance.

Sporting Events

Please find detailed below information regarding sporting events taking place out of school. If you have any queries, please contact the school office.

Y1/2 ~ Mini Olympics at South Craven School ~ Wednesday 26 June 2019

Well done to our Year 1 and Year 2 pupils ~ Jack, Tess, Archie, Eric, Natty, Robyn, Reece, Oscar, Violet, Mollie, Oliver, Matilda, William, Woody, Reo and Ernie ~ who took part in the Mini Olympic Festival against other local primary schools on Wednesday after school. Mr Craven and Miss Thompson were very proud of their teamwork and behaviour.

School Office Information

If you have any queries regarding any of content below, please contact the school office.

School Term and Holiday Dates 2019/2020 ~ May Day Bank Holiday

Further to the information in last week's Friday News regarding the change of date for next year's May Bank Holiday, the revised copy of next year's term dates has been sent out via bookbags today.

Year 6 SATS

Please note that Year 6 SATS will take place w/c 11 May 2020 (after the May Day Bank Holiday weekend) and we would be grateful if parents/carers could bear this in mind when planning for any holidays/events that weekend. Many thanks.

School Lunch ~ Current Years 3, 4 & 5

Please inform the school office by Monday 8 July 2019 if your child will be changing his/her lunchtime arrangements in September. This will enable Mrs Varley to predict numbers for food orders at the beginning of the academic year.

School Website Updates

SELFA

YOUR LOCAL CHILDREN'S CHARITY

Could you volunteer your spare time to support a local charity?

SELFA supports disadvantaged, disabled and vulnerable children aged 4-19 throughout Craven. We offer a variety of activities after school, at the weekend and within the school holidays.

@SELFA_Charity

Could you spare any time to support your local children's charity?

We are looking for individuals aged 18+ who could come along to our Summer sessions and help support the children in a variety of ways, whether it be playing a game, providing a listening ear, telling a story, preparing juice and snack or giving them encouragement and motivation. No previous experience is needed as we provide a brief induction.

Volunteers could offer anything from an hour to a full 4 hours to help out at our summer workshops and trips. Any time you can spare us through directly volunteering at sessions would help benefit the most disadvantaged, vulnerable and disabled children in our community, giving them a sense of belonging, increased self-esteem and confidence and supporting them to build positive relationships.

As well as changing the lives of local children, volunteering has a huge impact on the person giving their time. Research shows that volunteers see better health and well-being, improved personal and skills development and more self-confidence as well as getting involved and giving back to your community.

Want to find out more? Anyone interested can contact us directly to have an informal chat or visit our website if you would like further information.
