## Health & Safety Update!

### Traffic Management ~ School Drop Off and Pick Up

Please may we ask all parents/carers to respect the people who live close to the school and that you **do not** park in front of drives, access ways (this includes access to fields and the main school vehicle entrance) and the white and yellow 'Keep Clear' areas.

Not only is this an important health and safety issue but villagers, who do not have children in the school, still need to be able to travel freely through the village and access their properties at these peak times.

We would be grateful if all parents/carers could move their cars once children have been dropped off. This will enable other parents/carers to park their cars safely and help alleviate traffic congestion at these key times. Thank you for your cooperation in this matter.

### Dog Fouling

Whilst most dog owners are caring, responsible individuals, there are still some people who do not clean up after their pets and, unfortunately, dog fouling has once again blighted the pavements outside school.

### No fouling

Please therefore take particular care when walking to and from the school gates as a few of the children have recently been caught out and ended up stepping in dog mess!

A parent/carer has also kindly been in touch with Lothersdale Parish Council to raise the issue with them.

### Finger Nails!

We have children in school with very long finger nails. Please could we ask parents/carers to ensure that children's nails are cut short and are clean to help avoid any scratches to themselves or other children. Thank you.

Dear Parents/Carers

Another eventful, and enjoyable, week at Lothersdale School draws to a close.

This week, I was reminded just how dependent we are upon the water treatment plant. On Monday morning we unfortunately had to close school because of a partial power failure; as the pump in the water plant was affected, we had no water in school. I do hope this did not cause too much disruption to you, but it really was unavoidable. We have made changes in school to help reduce the risk of a repeat of this problem, and we are consulting with an electrical contractor to take further steps to ensure it does not happen again.

This week I had the pleasure of accompanying Class 3 on their Viking Day visit to Murton Park, near York. Once again, I was delighted to see just how brilliantly behaved the children were and how attentively they listened to the 'Viking' staff. The feedback from staff at Murton Park was excellent, and it was clear that they really did enjoy hosting a day for Lothersdale School. All the children had a fabulous day and I am sure it has helped to bring to life all the learning that they have been doing in class.

Thank you to all parents/carers for your contributions to Children in Need today and for taking the time and effort to dress your children in their brightest clothes.

Next week is national **Anti-Bullying Week**, and we will be marking this event by joining in with Odd Socks Day on Monday. The theme this year is United Against Bullying, and the emphasis is very much on celebrating our unique qualities and how everyone is different. On Monday, all the children and adults are asked to wear odd socks to school to celebrate what makes us all unique.

I have attached another Online Safety guide to this newsletter; this week the focus is on **Fortnite**. Fortnite is an incredibly popular online game, and as such, there is a chance that young children could come into contact with strangers who are randomly placed into their groups; clearly, it is difficult to predict what another person might say or do in a game. In the guide, there are tips and advice to enable parents to ensure their children are safe whilst playing in the game. This is a real must-read for any parent whose child loves Fortnite.

Have a great weekend, everyone.

Updates

**Please find detailed below general updates for your information. If you have any queries regarding any of the content below, please contact the school office.**

**Remembrance Day ~ Wednesday 11 November 2020**

Class 1, Class 2 and Class 4 lined up in the playground on Wednesday and helped remember all those who fought and died in the line of duty to keep us free, by observing the two minute silence at 11am. Class 3, who were on their Viking Day trip to York, were able to observe the silence whilst on site at Murton Park. Please look at our Remembrance Day photographs attached to this newsletter.

**BBC Children in Need ~ Friday 13 November 2020**

Thank you to all those of you who have already made a donation following our email on Tuesday 10 November regarding the Children in Need Charity portal via ParentPay. So far you have helped raise **£310.00**, which is fantastic.

If your child chose to wear bright colours in school today to support this year's campaign and you have not yet made your donation, please ensure payment is made by Monday 16 November 2020. Please note this page cannot be accessed via your usual ParentPay login but by clicking on the link below.

<https://app.parentpay.com/ParentPayShop/Foc/Default.aspx?shopid=1678>

Please note that this is a trial system and all donations are paid directly to Children in Need. Please can you provide us with any feedback to enable us to consider using this portal again for any future charitable donations.

Please check out our colourful Children in Need pages attached to this newsletter.

## Anti-Bullying Week 2020

Anti-bullying week will be held nationally next week (16 to 20 November 2020). The theme for the week is 'United Against Bullying'.

This year, more than ever, we've witnessed the positive power that society can have when we come together to tackle a common challenge.

Anti-Bullying Week is no different. Bullying has a long-lasting effect on those who experience and witness it. But by channelling our collective power, through shared efforts and shared ambitions, we can reduce bullying together. From parents and carers, to teachers and politicians, to children and young people, we all have a part to play in coming together to make a difference.

We're all a piece in the puzzle, and together, we're united against bullying.

## Odd Socks Day, Monday 16 November 2020

To support the anti-bullying message, we are taking part in **Odd Socks Day** on Monday 16 November 2020 where children simply have to come to school in 'odd socks' to celebrate that we are all unique. Make the socks as crazy as you like!

What is Odd Socks Day? Odd Socks Day is designed to be fun! It's an opportunity to encourage people to express themselves and celebrate their individuality and what makes us all unique!

There is no pressure to wear the latest fashion or for parents to buy expensive costumes. All you have to do to take part is wear odd socks to your school it couldn't be simpler! Odd Socks day will take place on the first day of Anti Bullying Week each year to help raise awareness of bullying.

This year's anti-bullying song is called 'The Kids are United' and you can access the song with your children by clicking on the link below:

## **Autumn Reports and Parent Consultation Phone Calls**

Autumn reports were sent home yesterday via your child's bookbag or posted out.

Phone consultation dates and times were emailed out to all parents/carers, who requested phone consultations, on Wednesday. Please remember that appointments are limited to 10 minutes and we would be grateful if parents/carers could ensure they are available for their allocated phone appointment to enable the teachers to keep to their tight schedules.

## **Bag2School Collection ~ Wednesday 18 November 2020**

The Bag2School Collection will be held next Wednesday, 18 November 2020 ~ please bring in your black bin bag(s) containing 'good quality' unwanted items for re-use to raise money for school. Remember the more bags you send to school, the more the school will earn! Please ensure bags are left in the Parent Shelter by 9.30am. Any bags left after this time will not be collected.

<b>They accept the following 'good quality' items for RE-USE:</b>	<b>They DO NOT accept:</b>

Class 1 have been busy learning about Children in Need and Pudsey Bear. We started the week with some 5-minute challenges that Joe Wicks sent us (the high knees were difficult to keep up with!). We learnt that Pudsey reminded grown-ups to look after all children and that some children needed extra care and support. We enjoyed doing Pudsey paintings and ended with week with Joe's PE lesson live from the BBC.

The children have had great fun in our woodland area and on the playground this week developing their throwing and catching. We have some fast runners in Class 1 too. Thank you to all of my little helpers who fixed our tent with me...it kept trying to blow away!

In maths we have been learning about patterns and the children have really impressed me with their ideas, concentration and creativity. We will learn more about shapes and patterns next week.

Another brilliant week in Class 2. The children have loved reading the first few pages in our new story, 'The Day the Crayons Quit'. We have had a great time learning all about verbs and all of the children have used verbs well in their writing.

We have begun to develop our knowledge of subtraction and all of the children have really applied themselves to developing their own strategies to solve problems.

On Remembrance Day, all of the children were confident to discuss why it is so important that we remember all of the soldiers who have fought in wars to keep us and our country safe.

And finally, Friday saw the children in Class 2 arrive at school full of colour to show their support for children in need. Some brilliant outfits and lots of smiles on faces.

**Viking Day ~ Wednesday 11 November 2020**

Murton Park Trip Report written by Tess, Evie and Spencer:

Everybody really enjoyed our school trip to Murton Park to find out more about the Vikings. After the long bus journey, we were met by Ursa (a pretend Viking) who taught us all about the Viking life. We started off by discussing things that Miss Gallagher had already taught us, and then we learnt lots more facts.

We know that Vikings were: sailors, raiders, traders, settlers, farmers and craftsmen. After a busy talk, we ventured off into the Viking village. We were put into 3 families. We had a mum and a dad and had to complete the daily jobs that Vikings would have done. This included: farming, wood collecting, training to be a guard, pottery and housework. Every task was fun, brilliant and great, however we have learnt how hard the Vikings must have worked and it would be sooo tiring.

Class 3 want to say a huge thank you for all the hard work Murton Park put into our day.

The best bit was when the Anglo-Saxon started spying on our village so we had to scare him away with lots of shouting "Go away you smelly Saxon!"

We learnt how the Vikings made candles out of clay and they burned animal fat (which would smell horrible).

## CLASS 3 VIKING DAY

### **Class 3 Update**

What a busy and fantastic week we have had! From the school trip to baking Viking bread, it has been very hands on and practical.

We also couldn't forget to celebrate Remembrance Day either. On our trip we still had our minute's silence to remember those who had fought for our country. All the painted rocks will be displayed in the remembrance area of our school garden to show our respect for all of the armed forces, past and present.

#### **Well done Jack!**

A big mention to Jack in Year 3 for raising money for Children in Need. Jack decided he wanted to raffle a teddy, which he found on the website and paid for out of his own pocket money. Today he has received **£158.00** of donations towards a raffle to win the teddy.

He is drawing the winning ticket on Sunday, 15 November, and we are all very proud of Jack's independent efforts in raising money for disadvantaged children and young people. If you wish to support Jack and buy a raffle ticket, please email Jack's mum to include you in the draw and let her know the donation amount via [gemmaallen1509@sky.com](mailto:gemmaallen1509@sky.com). Well done Jack!

The children have returned to school with a fantastic attitude, and we have had a very productive week in the classroom.

Year 5 have continued their study of data handling, first interpreting and then drawing line graphs, with a focus on the axes and the scale intervals. Year 6 have worked with fractions, first consolidating knowledge of simplifying fractions, converting between mixed numbers and improper fractions and comparing and ordering fractions, before moving on to calculating decimal fraction equivalents of a specified fraction.

In English, we have been working on developing inference skills in reading comprehension, basing our initial work on making several assumptions: we need to find clues in the text to establish the answers, and we must combine such clues with what we already know from reading the text. We have seen that there may well be more than one correct answer, and we need to be able to support inferences with clearly explained evidence from the passage we have read.

We had a great dance lesson in PE on Tuesday and are very much looking forward to the session next week where we be continuing with our work on 'cannons' - a compositional device to add interest, depth and variation to either a sequence or whole section of our choreography.

This week's KIRF learning has involved specifying fraction, decimal and percentage equivalents, our next target focusing on equivalent measures linked to length, mass and capacity.

There will be the usual spelling check-up next Monday - 16th November, with Year 5 focusing on spellings from the Year 5/6 word list which have unstressed vowels, unstressed consonants and cross-curricular words, and Year 6 covering the 'ible' ending and the rules that apply to this pattern. Please remember that the Reading Plus story and vocabulary exercises also form part of the weekly schedule, and you can choose whether you complete these at home or in school from 8.30am on a Monday and Friday morning. Maths CGP homework books have been handed out today.

On Monday, we painted our 'poppy pebbles', inscribed with the names of the fallen soldiers from the village. On Wednesday 11th November, we visited the cenotaph to pay our respects to the brave men who fought for our country, reading prayers and poems before placing the pebbles in memory of the soldiers. At 11am, we joined with the rest of the school in the yard and respected the two minutes silence.

Congratulation go to Joseph Wilson who has completed his current level on Reading Plus this week – this is excellent.

Have a great weekend, and we look forward to seeing you all on Monday.

#### **Class 4 Email**

Please note that the Class 4 email is only used when home learning is in operation due to self-isolation. We would be grateful if parents/carers could only use the main school email at all other times. ([lothersdale@ycatschools.co.uk](mailto:lothersdale@ycatschools.co.uk)). Many thanks.

There's a very good chance you've heard of Fortnite, but what exactly is it? And why is it so popular amongst young people? Fortnite is an online multiplayer "battle royale" game developed by Epic Games, and is playable on Playstation 4, Xbox One, Nintendo Switch, PC and mobiles. It gained popularity in late 2017 and has since become the biggest game in the world, thanks to its rapid and engaging gameplay. As with most games, Fortnite itself is a highly enjoyable and safe experience, but it pays to be vigilant, as the safety is not water tight.

AGE RECOMMENDATION  
**13+**

# What parents need to know about FORTNITE BATTLE ROYALE

## BATTLE ROYALE

Battle Royale games have become very popular over the last couple of years, and most tend to follow a very similar setup. Taking Fortnite as an example, 100 players drop into a map, loot buildings for weapons and armour and attempt to beat all the other players to be crowned victor at the end. If you've ever seen the Hunger Games movies, you'll have an idea of what this entails. Each game can take up to 20 minutes (assuming you last to the end) and can be restarted relatively quickly once 100 free players have been found.

## IS FORTNITE ADDICTIVE?

Fortnite is at the forefront of gaming addiction discussions because it is so popular with young people. But whether it actually contributes to gaming addiction is up for debate. WHO (World Health Organisation) have classified gaming as a legitimate addiction, but this is not solely a concern with Fortnite. Signs of addiction can include irritability when not playing, lying about the amount of time played and a preoccupation with thoughts of the next gaming session. Realistically, it must be down to parents and carers to recognise these symptoms and act accordingly if they think they are developing.

## FREE TO PLAY... OR IS IT?

While Fortnite is technically free to play (in that you can download and play it without paying) it does come with the caveat that spending money on things like skins and emotes in-game is heavily pushed to players. The currency used in-game is called 'V-Bucks' and can be bought with real money through the game's online store. It's worth remembering that these purchases are absolutely not necessary, are cosmetic only and that V-Bucks can be earned in-game with enough play time.

## SEASONAL UPDATES

Every 10 weeks or so Fortnite is updated with a new season. This essentially adds new things like skins and emotes to the game, while also sometimes changing up the game map in interesting ways. These seasons are free to everybody and don't require additional money to play, though battle passes for each season can be bought with V-Bucks. A battle pass will typically allow a player to earn experience faster and gain fun in-game items by completing a host of daily challenges.

## CROSSPLAY IS AVAILABLE

One of the wonderful things about Fortnite is that it can be played cross-platform. This means that no matter what platform a person plays on (PC, PlayStation 4, Xbox One etc) they can play with friends who own the game on a different platform. To do this, an Epic Games account must first be created online (which is free) and then linked with your platform account. Doing this removes the age-old boundary of not being able to play together because you don't have the same console and opens up a whole new world of playing online with friends.

## IS FORTNITE VIOLENT?

Fortnite has been rated by the ESRB (Entertainment Software Ratings Board) as teen, as it contains cartoon violence and the weapons and acts depicted in the game are some way removed from their real life inspirations. Characters don't draw blood when shot and instead of dying, they are simply beamed up off the map. Naturally, players younger than the recommended age limit will want to play the game and that should be at the discretion of parents and carers.

#WakeUpWednesday

## Top Tips For Parents

### BUYING V-BUCKS

As mentioned, Fortnite does contain in-game purchases and microtransactions in the form of V-Bucks which can be bought with real money. If you do decide to let your young one spend money in the game, be sure to delete your card information afterwards as it can be very easy to purchase more items at the press of a few buttons. It's important to set a limit on any purchases (as mentioned they are absolutely not necessary to play the game) and a suggestion would be capping the spending at around £50 - this is the normal retail price of a game.

### GAMING WITH STRANGERS

### LIMIT TIME, BUT BE FLEXIBLE

A game of Fortnite can last up to 20 minutes, so be flexible when it's time to put it away. The approach of 'one more game' as opposed to '10 more minutes' will stop any complaints that a match is still ongoing. Better still, play with your child and take it in turns; that way you're helping control the time played and can keep an eye on what they're experiencing.

### TALK TO OTHER PARENTS / CARERS

If you're concerned about play time or spending money in the game, talk to other parents and carers of your child's friends. If you approach as a collective, it will be easier to know when their friends are online and you don't have to worry about who they're playing with. It can also help curb expectations on spending money on battle passes and skins if you stick together.

### CAN DEVELOP SOME IMPORTANT SKILLS

It's often overlooked just how good gaming can be for young people. Fortnite encourages team play, quick and complex problem solving and communication; that's not to mention the lightning fast reflexes gamers can develop. While taking breaks to do other activities is of course important, there are benefits to screen time which might not be immediately obvious.

### PLAY THE GAME YOURSELF

There's no substitute for sitting down and playing the game yourself to learn all about it. Fortnite is available for free on almost anything you can imagine, even your smartphone, so there's never been a better time to get involved and see what all the fuss is about. You never know, you might even be able to impress your children when you show them your impressive Victory Royale!
